“ This majestic, moving novel is an instant classic, a book that will be read, discussed and taught beyond the rest of our lives. ” —Chicago Tribune Winner of the National Book Critics Circle Award, A Lesson Before Dying is a deep and compassionate novel about a young man who returns to 1940s Cajun country to visit a black youth on death row for a crime he didn't commit. Together they come to understand the heroism of resisting. From the critically acclaimed author of A Gathering of Old Men and The Autobiography of Miss Jane Pittman.

After the loss of his wife in a tragic accident, beloved artist Danny Gregory chronicled his grief in the medium he knows best—the

pages of his illustrated journals. This intimate reproduction of his journal is a stirring visual memoir of Gregory's journey towards recovery. Uniquely sincere, and by turns tender, raw, and hopeful, Gregory's idiosyncratic text and illustrations capture the darkest and lightest moments of his "year of magical drawing." Gregory's process reminds us that creative expression offers its own therapy, and that living each day to its fullest may be as simple as putting pen to paper. Anyone who has experienced loss will take solace in this refreshingly candid look at grieving, while art lovers will marvel at the artist's beautiful celebration of the power of creation.

In *A Free Man of Color and Sold Down the River*, Benjamin January guided readers through the seductive maze of New Orleans' darkest quarters. Now January joins the orchestra of the city's top opera house —

only to become enmeshed in a web of hate and greed more murderous than any drama onstage. In 1835, the cold February streets glitter with masked revelers in Carnival costumes. An even more brilliant display is promised at the American Theater, where impresario Lorenzo Belaggio has brought the first Italian opera to town. But it's pitch-black in the muddy alley outside the stage door when Benjamin January, coming from rehearsal with the orchestra, hears a slurred whisper, sees the flash of a knife, and is himself wounded as he rescues Belaggio from a vicious attack. The bombastic impresario first accuses two of his tenors, then suspects his rival, the manager of New Orleans' other opera company. Could competition for audiences really provoke such violent skulduggery? Or has Belaggio taken too many chances in the catfight between two sopranos, one superseded by the other as his mistress and his prima

donna? But burning in January's mind and heart is a darker possibility. The opera Belaggio plans to present — a magnificent version of Othello — strikes a shocking chord in this culture. Is the murderous tragedy of the noble Moor and his lady, the spectacle of a black man's passion for a white beauty, one that some Creole citizen — or American parvenu — would do anything to keep off the stage? Bloody threats and voodoo signs, poison and brutal murder seem to implicate many strange bedfellows. And Benjamin must discover who — in rage, retribution, or an insidious new commerce in this beautiful cutthroat city — will kill and kill ... and who will Die Upon a Kiss.

By the author of Rosemary ’ s Baby, a horrifying journey into a future only Ira Levin could imagine. Considered one of the great dystopian novels—alongside Anthony Burgess's A Clockwork Orange and Aldous Huxley's Brave New World—Ira Levin's frightening glimpse into the future continues to fascinate readers even forty years after publication. The story is set in a seemingly perfect global society. Uniformity is the defining feature; there is only one language and all ethnic groups have been eugenically merged into one race called “ The Family. “ The world is ruled by a central computer called UniComp that has been programmed to keep every single human on the surface of the earth in check. People are

continually drugged by means of regular injections so that they can never realize their potential as human beings, but will remain satisfied and cooperative. They are told where to live, when to eat, whom to marry, when to reproduce. even the basic facts of nature are subject to the UniComp's will—men do not grow facial hair, women do not develop breasts, and it only rains at night. With a vision as frightening as any in the history of the science fiction genre, This Perfect Day is one of Ira Levin`s most haunting novels.

A chilling psychological thriller that explores the menacing evil behind the glittering facades of Manhattan ' s skyscrapers. owns the building: a shocking secret is concealed within its brick and concrete. Sliver is a sinuous erotic thriller, a hypnotic story of obsession, suspense, and stunning surprises. It is a novel about the ultimate power, and the temptations the use of that power brings.

He's a handsome young man, appealing and very charming. The kind of man who can get away with murder. And worse, he's the kind of man who can convince himself that murder is merely a means to an end - not a crime. So the killing of his pregnant girlfriend is only a prelude to multiple murder, in a mystery that is as compelling - and chilling - as it is unpredictable. Engagingly written, cleverly crafted, and deftly plotted, this is suspense entertainment at its best.
