Some people say that "chick lit," as a genre, resists innovation, that it's formulaic. I am delighted to be able to offer to them evidence to the contrary in the form of A Perfect Proposal. Its author, Katie Fforde, has done the incredible and written a romance with an actual wet dishrag as its heroine.

A Perfect Proposal by Katie Fforde - Goodreads

I really enjoy reading Katie Fforde - whilst her novels are easy to read, they are full of feeling and A Perfect Proposal is no different. Sophie Apperly is watching life pass her by as she spends her time caring for her ungrateful family.

A Perfect Proposal (2010) £8.99 Qty. A Perfect Proposal is partly based on a real situation in my family and the heroine is someone I would really like to be. She is tall, slim and brilliant with a needle. I had a lot of fun writing this book. It involves a road trip, some trans Atlantic travel and a very eccentric old lady. It also features a painting of a house that hangs on the wall at ...

Although it is generally well narrated, it is especially good on all the accents too. A Perfect proposal is a rocky road to love and certainly up to Katie Fforde's usual high standards. And although not quite as 'perfect' as the title would suggest, this one is definitely a treat! 1 person found this helpful

In this delicious romantic comedy, a young Englishwoman gets an unexpected proposal from a dashing American, but it's not what you think Sophie Apperly's frustratingly dismissive family has never taken her seriously, but they do take advantage of her. So when an old friend offers her the chance of a lifetime, she decides to swap Little England for the Big Apple, and heads off to the land of opportunity. From the moment Sophie arrives in Manhattan, she's determined to enjoy every minute of her big adventure. And when fate throws her together with Matilda, a spirited grande dame of New York society who invites her to Connecticut for Thanksgiving, she willingly accepts. English-born Matilda is delighted with her new friend—though her grandson Luke, undeniably attractive but infuriatingly arrogant, is anything but welcoming. When Luke arrives in England a few weeks later, Sophie hardly expects him to seek her out. But Matilda has hatched some complicated plans of her own—and so Luke has a proposal to make, but it hardly seems perfect. With all the warmth and wit that have made Katie Fforde's novels huge bestsellers in the UK, A Perfect Proposal is an irresistible tale of love and literature and the quest for a happy ending. Katie Fforde "has imagination to spare, using witty writing and plotting to build a story" (The New York Times Book Review).

"Katie Fforde's unique spin on romantic comedy is a blend of the sweet, the sad, and the sexy." —Patricia Gaffney Sarah is a wedding planner hiding a rather inconvenient truth—she doesn't believe in love. But as the confetti flutters away on the June breeze of yet another successful wedding season she finds herself agreeing to organize two more events, on the same day, and only two months away. And while her celebrity bride is all sweetness and light, the other bride, Sarah's own sister, quickly starts driving her crazy with her high expectations and very limited budget. Luckily, Sarah is aided in her seemingly impossible task by two best friends, Elsa, an accomplished dress designer, and Bron, a multitalented hairdresser. All three are very good at their jobs, but romance doesn't feature very prominently in any of their lives. As the big day draws near, every moment is spent preparing for the weddings, and they certainly haven't got any time to even think about love; or have they?

Anna, a newly qualified interior designer, purchases a tiny cottage in need of renovation, but as she deals with an escalating series of problems, settles in, and makes new friends, her life is turned upside down by the handsome but impossible Rob Hunter.

Althea Farraday is a thirty-eight-year-old divorced mother of three who's got a teenage son who's a Buddhist, a hypercritical sister who knows how to push all her buttons, a job on the endangered species list, and a love life to match. Just as she's settling in to a comfortable level of chaos, a near-perfect man enters her life. Equipped to steal her heart and help turn her passion for designing gardens into a new career, Patrick Donahugh may be too good to be true. Amid wild roses, California poppies, scarlet flax, sweet rocket, love-in-mist, and, of course, plenty of dirt, *Wild Designs* is a refreshingly honest and funny read that celebrates the almost-ready-to-bloom aspect of all our lives.

Julia Fairfax isn't quite herself today. It's not like Julia to quit her job just because she was over for a promotion. Or to call off her engagement just because her fiance is a bore. And it's certainly not like her to pack her bags, sublet her house, board a rattletrap hotel boat, and pass herself off as a gourmet cook. It's just not like Julia to be so recklessly--and delightfully--in control. And she's loving every minute of it... But Julia's new life soon gets anchored with familiar baggage--like an old boyfriend, a meddling mother, and a spurned fiance nipping at her heels--all of them bursting with unsolicited advice. Now, Julia's got a surprise in store for each and every one of them. And somewhere between dry-dock and a bargeful of hot-tempered tourists, between old friends and new lovers, Julia's got to turn survival into a skill if she wants to turn a season adrift into the summer of a lifetime...

Juggling widowed parenthood with her career and numerous Cotswolds events, Nel Innes struggles to rally the community after the death of an old friend threatens regional lands, a situation that is complicated by a handsome lawyer for the opposition. 10,000 first printing.

Spring/Summer 1999

A wonderfully romantic novel from the No. 1 Sunday Times bestselling author of *Recipe for Love*, *A French Affair* and *The Perfect Match*. Gina and Sally Makepiece have inherited a stall in the French House - an antiques centre nestled in the heart of the English countryside. Gina is determined to drag the French House and its grumpy owner into the twenty-first century. Bearing all the attributes of a modern-day Mr Rochester, Matthew Ballinger is less than happy with the whirlwind that has arrived on his doorstep. The last thing either of them want is to fall in love. But will a trip to France change their minds?

When her bookshop closes its doors, Laura agrees to help organize a literary festival. Her initial excitement is followed by panic when she realizes that an innocent mistake has led the festival committee to believe that she is a personal friend of the reclusive writer Dermot Flynn. Even though Laura has been infatuated with Dermot since her college days, traveling to Ireland to persuade him to come out of hiding is not what she had in mind. Nevertheless, she sets off to charm her literary hero into headlining the festival. Unfortunately, Dermot is maddening, temperamental, and up to his ears in a nasty case of writer's block. But he's also infuriatingly attractive.... With all the warmth and wit that have made Katie Fforde's novels huge bestsellers in the U.K., *Love Letters* is an irresistible tale of love and literature and the quest for a happy ending.
