A Turn of Tides is book thirteen in the series A Shade of  
Vampire by Bella Forrest. This book really lives up to it's  
name. There is again non-stop action from start to finish but  
in some instances, there is a turning of the tides. I think Rose  
is going through some major transformations in this book.

The last book set the wheels in motion for a pretty epic  
showdown between the residents of The Shade and the black  
witches and that's exactly what we got in this book. This book  
went from 0-60 in about 1 chapter and kept the pedal to the  
metal the entire time!
