files. Helpful tips: If you are able to search the book, search for "Where are the lesson files?" ; Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear. Please note that some lesson and video files are very large due to their high quality. High-speed internet connections are recommended for best results in downloading these files.
