For many, American politics and government have never been more interesting--or more important. A new four-color design, up-to-date political news and analysis and an affordable price make AMERICAN GOVERNMENT AND POLITICS TODAY, Brief Edition, 2018-2019, an ideal resource to engage today's learners. Authors Schmidt, Shelley and Bardes help students understand America's complex and fascinating political system--and show them how they can participate in the political process. Praised for its balanced coverage, clarity and readability, the text examines all the key concepts of American Government while providing interesting features that focus on active citizenship. The tenth edition gives ample space to the rise of Donald Trump, his populist campaign and use of the media as well as to other current topics such as security leaks, government surveillance and voting restrictions. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

In 356 engaging pages, with new engaging features and a great low price as part of the Wadsworth Advantage Series, this brief version of the best selling book for American Government, AMERICAN GOVERNMENT AND POLITICS TODAY: BRIEF EDITION 2005-2006 helps students experience the excitement that comes from active, informed citizenship. Praised for its balanced and up-to-the-minute coverage, this book focuses on the fundamentals?the constitutional, governmental, political, social, and economic structures and processes that are the core of American government. Coverage of policy and analysis as well as

appendices is also included in this brief text.

Keeping the Republic gives students the power to examine the narrative of what's going on in American politics, distinguish fact from fiction and balance from bias, and influence the message through informed citizenship. Keeping the Republic draws students into the study of American politics, showing them how to think critically about "who gets what, and how" while exploring the twin themes of power and citizenship. Students are pushed to consider how and why institutions and rules determine who wins and who loses in American politics, and to be savvy consumers of political information. The thoroughly updated Eighth Edition considers how a major component of power is who controls the information, how it is assembled into narratives, and whether we come to recognize fact from fiction. Citizens now have unprecedented access to power — the ability to create and share their own narratives — while simultaneously being even more vulnerable to those trying to shape their views. The political landscape of today gives us new ways to keep the republic, and some high-tech ways to lose it. Throughout the text and its features, authors Christine Barbour and Gerald Wright show students how to effectively apply the critical thinking skills they develop to the political information they encounter every day. Students are challenged to deconstruct prevailing narratives and effectively harness the political power of the information age for themselves. Up-to-date with 2018 election results and analysis, as well as the impact of recent Supreme Court rulings, shifting demographics, and emerging and continuing social movements, Keeping the Republic, Eighth Edition is a much-needed resource to help students make sense of politics in America today. Carefully condensed from the full version by authors Christine Barbour and Gerald Wright, Keeping the Republic, Brief Edition gives

# Read Online American Government Brief Version 10th Edition

political systems in the world.

In a storytelling approach that weaves contemporary examples together with historical context, *By the People* explores the themes and ideas that drive the great debates in American government and politics. It introduces students to big questions like: Who governs? How does our system of government work? What does government do? and Who are we? By challenging students with these questions, the text gets them to think about, engage with, and debate the merits of U.S. government and politics. Ideal for professors who prefer a shorter text, *By the People, Brief Second Edition*, condenses the content of the comprehensive edition while also preserving its essential insights, organization, and approach.

Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, *American Government* sets the standard for public policy coverage while maintaining focus on three fundamental topics: the institutions of American government; the historical development of governmental procedures, actors, and policies; and who governs in the United States and to what end. Proven pedagogical features involve students in the material, including chapter outlines, suggested web links for research, and *How Things Work* boxes that summarize basic information and important facts. Components of the media package include web resources such as primary source documents, election ads, audio clips, and interactive activities. Most of the features include related pedagogy or critical-thinking questions. Chapter pedagogy that encourages critical thinking includes *Who governs? And to What Ends?* questions that open each chapter to engage students in the material, and *Reconsidering Who Governs* and *Reconsidering to What Ends* at the close of the chapter

# Read Online American Government Brief Version 10th Edition

to emphasize the complexity of the questions. Landmark Cases features identify influential Supreme Court decisions in areas such as affirmative action, the media, and foreign affairs. What Would You Do? boxes in relevant chapters help students act as decision makers by presenting them with a realistic domestic policy issue, which they can consider in a paper or class discussion.
