Science

Highlighting, Note-
Taking, and Creating a
Study Guide ...

Note-taking is the practice of recording information from different sources and platforms. By taking notes, the writer records the essence of the information, freeing their mind from having

Acces PDF And Note Taking

to recall everything.

Notes are commonly drawn from a transient source, such as an oral discussion at a meeting, or a lecture, in which case the notes may be the only record of the event.
