As the best-selling boy band of all time, the legendary Backstreet Boys have exploded back onto the music scene with DNA, their first #1 album in nearly 20 years. Marking their tenth album ever to hit the top 10, DNA has also racked up the biggest sales in pop music since Justin Timberlake, and the largest sales week for the band itself since 2005.

They have two children.

A.J. McLean - IMDb

Nickolas Gene Carter was born on January 28, 1980 in Jamestown, New York, to Jane Elizabeth (Spaulding) and Robert Gene Carter. As a child, he appeared in several television commercials, and, in 1989, auditioned for The All New Mickey Mouse Club (1989) (aka "The Mickey Mouse Club"). However, his main interest was music and his mother encouraged this by paying for singing lessons.

Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

This nostalgic, fully-illustrated history of boy bands -- written by culture critic and boy band stan Maria Sherman -- is a must-have for diehard fans of the genre and beyond. The music, the fans, the choreography, the clothes, the merch, the hair. Long after Beatlemania came and went, a new unstoppable boy band era emerged. Fueled by good looks and even greater hooks, the pop phenomenon that dominated the '80s, '90s, and 2000s has left a long-lasting mark on culture, and it's time we celebrate it. Written by super fan Maria Sherman for stans and curious parties alike, Larger Than Life is the definitive guide to boy bands, delivered with a mix of serious obsession and tongue-in-cheek humor. Larger Than Life begins with a brief history of male vocal groups, spotlighting The Beatles, the Jackson 5, and Menudo before diving into the building blocks of these beloved acts in "Boy Bands 101." She also focuses on artists like New Edition, New Kids on the Block, Backstreet Boys, *NSYNC, One Direction, and BTS before ending with an interrogation into the future of boy bands. Included throughout are Tiger Beat-inspired illustrations, capsule histories of the swoon-iest groups, in-depth investigations into one-hit wonders, and sidebars dedicated to conspiracy theories, dating, in-fighting, haters, fan fiction, fashion (Justin and Britney in denim, of course), and so much more. Informative, affectionate, funny, and never, ever fan-shaming, Larger Than Life is the first and only text of its kind: the ultimate celebration of boy bands and proof that this once maligned music can never go unappreciated.

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

DIVCritical studies of the popular television show, BUFFY THE VAMPIRE SLAYER./div

The New York Times bestselling true story of an all-American girl and a boy from Zimbabwe -- and the letter that changed both of their lives forever. It started as an assignment. Everyone in Caitlin's class wrote to an unknown student somewhere in a distant place. Martin was lucky to even receive a pen-pal letter. There were only ten letters, and fifty kids in his class. But he was the top student, so he got the first one. That letter was the beginning of a correspondence that spanned six years and changed two lives. In this compelling dual memoir, Caitlin and Martin recount how they became best friends--and better people--through their long-distance exchange. Their story will inspire you to look beyond your own life and wonder about the world at large and your place in it.

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

"Kiss & Tell is a total rush! Perfectly sweet and swoon worthy. I loved every page!" – Julie Murphy, New York Times bestselling author of Dumplin' A smart, sexy YA novel about a boy band star, his first breakup, his first rebound, and what it means to be queer in the public eye, from award-winning author Adib Khorram Hunter never expected to be a boy band star, but, well, here he is. He and his band Kiss & Tell are on their first major tour of North America, playing arenas all over the United States and Canada (and getting covered by the gossipy press all over North America as well). Hunter is the only gay member of the band, and he just had a very painful breakup with his first boyfriend--leaked sexts, public heartbreak, and all--and now everyone expects him to play the perfect queer role model for teens. But Hunter isn't really sure what being the perfect queer kid even means. Does it mean dressing up in whatever The Label tells him to wear for photo shoots and pretending never to have sex? (Unfortunately, yes.) Does it mean finding community among the queer kids at the meet-and-greets after K&T's shows? (Fortunately, yes.) Does it include a new relationship with Kaivan, the drummer for the band opening for K&T on tour? (He hopes so.) But when The Label finds out about Hunter and Kaivan, it spells trouble—for their relationship, for the perfect gay boy Hunter plays for the cameras, and, most importantly, for Hunter himself.
