A product like the Bayou Fitness Total Trainer Home Gym – with this price tag – has to be built to last and with one review being written after 10 years of use, it seems that this is a reliable machine. Some users attribute this benefit to little details like the use of rope over plastic coated cables, which wear down more easily. ...

The Total Trainer Power Pro 5000XL has been designed primarily as an upper body workout machine. This differs from conventional multi gym machines in the fact that while you can add additional weight in the form of weight plates, it will be your bodyweight that provides most of the resistance for the exercises.
