Bill Walsh's stylebook, a parody of other stylebooks, is a fun guide to sensible writing. Here's Walsh's rule for beginning sentences with conjunctions: "Starting a sentence with a conjunction is a literary device that can be overused. And it can be annoying. But there's nothing inherently evil about it."

The last lecture on leadership by the NFL's greatest coach: Bill Walsh Bill Walsh is a towering figure in the history of the NFL. His advanced leadership transformed the San Francisco 49ers from the worst franchise in sports to a legendary dynasty. In the process, he changed the way football is played. Prior to his death, Walsh granted a series of exclusive interviews to bestselling author Steve Jamison. These became his ultimate lecture on leadership. Additional insights and perspective are provided by Hall of Fame quarterback Joe Montana and others. Bill Walsh taught that the requirements of successful leadership are the same whether you run an NFL franchise, a fortune 500 company, or a hardware store with 12 employees. These final words of 'wisdom by Walsh' will inspire, inform, and enlighten leaders in all professions.

The head coach of the San Francisco 49ers outlines the successful strategies he used to transform the team from an organization in disarray to a team renowned for its excellence

The celebrated coach shares his philosophy of football, profiles players he has coached, and recounts key moments in his career

Offers a portrait of football coach Bill Walsh who transformed the San Francisco 49ers, the NFL's worst team in 1979, into a football powerhouse through a combination of organization innovation, player management, and determination, in a study

of success and the price it exacts. Reprint

A lighthearted usage guide shares a latest treasury of language pet peeves and common grammatical mistakes.

This book provides a comprehensive look at specifically what it takes to breakthrough your biggest challenges and live your biggest dreams! It gives you the keys for you to make it happen by identifying "The Universal Laws for Business Success." Once you know what they are, you can put them into action to get the results you want. Bill Walsh and Power Team International are dedicated to giving you the obvious tools (and even the not-so-obvious ones) to expedite your success. He knows firsthand what it takes to overcome challenges and make your business and lifestyle dreams happen. Bill's vision is to provide mentoring opportunities for people like you who are ready for massive success!

Former NFL general manager and three-time Super Bowl winner Michael Lombardi reveals what makes football organizations tick at the championship level. From personnel to practice to game-day decisions that win titles, Lombardi shares what he learned working with coaching legends Bill Walsh of the 49ers, Al Davis of the Raiders, and Bill Belichick of the Patriots, among others, during his three decades in football. Why do some NFL franchises dominate year after year while others can never crack the code of success? For 30 years Michael Lombardi had a front-row seat and full access as three titans--Bill Walsh, Al Davis, and Bill Belichick--reinvented the game, turning it into a national obsession while piling up Super Bowl trophies. Now, in Gridiron Genius, Lombardi provides the blueprint that makes a successful organization click and win--and the mistakes unsuccessful organizations make that keep them on the losing side time and again. In reality, very few coaches understand the philosophies, attention to detail, and massive commitment that defined NFL juggernauts like the 49ers and the Patriots. The best organizations are not just employing players, they are building something bigger. Gridiron Genius will explain how the best leaders evaluate, acquire, and utilize personnel in ways other professional minds, football and otherwise, won't even contemplate. How do you know when to trade a player? How do you create a positive atmosphere when everyone is out to maximize his own paycheck? And why is the tight end like the knight on a chessboard? To some, game planning consists only of designing an attack for the next opponent. But Lombardi explains how the smartest leaders script everything: from an afternoon's special-teams practice to a season's playoff run to a decade-long organizational blueprint. Readers will delight in the Lombardi tour of an NFL weekend, including what really goes on during the game on and off the field and inside the headset. First stop: Belichick's Saturday night staff meeting, where he announces how the game will go the next day. Spoiler alert: He always nails it. Football dynasties are built through massive attention to detail and unwavering commitment. From how to build a team, to how to watch a game, to understanding the essential qualities of great leaders, Gridiron Genius gives football fans the knowledge to be the smartest person in the room every Sunday.

The story of legendary the Bill Walsh--the thoughtful, articulate coach who led the San Francisco 49ers to three Super Bowl

wins and was voted coach of the decade in the 80s--portrays the growth of his team and their incredible 1992 season.

How three football legends -- Bill Walsh, Joe Gibbs, and Bill Parcells -- won eight Super Bowls during the 1980s and changed football forever. Bill Walsh, Joe Gibbs and Bill Parcells dominated what may go down as the greatest decade in pro football history, leading their teams to a combined eight championships and developing some of the most gifted players of all time in the process. Walsh, Gibbs and Parcells developed such NFL stars as Joe Montana, Lawrence Taylor, Jerry Rice, Art Monk and Darrell Green. They resurrected the careers of players like John Riggins, Joe Theismann, Doug Williams, Everson Walls and Hacksaw Reynolds. They did so with a combination of guts and genius, built championship teams in their own likeness, and revolutionized pro football like few others. Their influence is still evident in today's game, with coaches who either worked directly for them or are part of their coaching trees now winning Super Bowls and using strategy the three men devised and perfected. In interviews with more than 150 players, coaches, family members and friends, *GUTS AND GENIUS* digs into the careers of three men who overcame their own insecurities and doubts to build Hall of Fame legacies that transformed their generation and continue to impact today's NFL.

The shotgun formation. The West Coast Offense. The 4-3 defense. We expect to see these things when we watch football, but without Tom Landry and Bill Walsh, it's possible we wouldn't see any of that. This is the story of how two independent thinkers molded football in general -- and championship football in particular. And they didn't just change the sport's Xs and Os; they changed its style. The story of their combined influence is unusual because neither man's ideas seriously affected the other's. This story also is the tale of many football greats: Joe Montana, Roger Staubach, Jerry Rice, Tony Dorsett, Ronnie Lott, Bob Lilly, Roger Craig, Ed "Too Tall" Jones and numerous others. What's more, the story of these coaches is one of great opponents: Dan Marino, Fran Tarkenton, Don Shula, Chuck Noll, Mike Ditka and Lawrence Taylor, to name a few. Most of all, this is the story of two icons: Landry, the cerebral, stoic, impeccably-dressed engineer, and Walsh, the creative, professorial, somewhat sensitive artiste. Their greatest moments rank among football's seminal moments. Fittingly, each coach's most famous play was a pass. For Landry, it was the Hail Mary that beat the Vikings in the 1975 playoffs. And for Walsh, it was, of course, The Catch, which came at the expense of the Landry Cowboys. These stories and many others comprise the larger narrative of how these men shaped the game we see today. PRAISE FOR TOM LANDRY AND BILL WALSH FROM GADY EPSTEIN, STAFF WRITER, THE ECONOMIST... Lawson "knows more about those two coaches and their teams than any sane human being does (or should)...trust me when I say John is an entertaining writer...Buy the book!" PRAISE FOR TOM LANDRY AND BILL WALSH FROM CHARLES GAY, DEPUTY MANAGING EDITOR, THE ATLANTA JOURNAL-CONSTITUTION..."TOM LANDRY AND BILL WALSH is a feast for serious NFL fans, tracing the game's dramatic evolution in a deeply intelligent and analytical style. Lawson layers his story with context and detail while never losing sight of the broader theme: innovation. The book manages to do all that while being a damned enjoyable read. If you love pro football, TOM LANDRY AND BILL WALSH is a must for your reading list."
