Are you hoping to build your business – grow your audience - using blogging? Have you considered blogging as a method of connecting with the existing audience of a small business? Technical trainer Barb Drozdowich has been blogging since 2010. She has grown her 3 primary blogs to host thousands of visitors each day. She understands how to build an audience and how to build a business using blogging. She supports her family using money earned from her blogs. One of the best ways to connect with an audience and grow an audience is through the use of a blog. A blog can provide entertainment or provide education. A blog can show that you are the “go-to” person for information in your niche. Do you feel uncertain about the technology or what to blog about? How to Build your Business with Blogging is aimed at a beginner to intermediate audience. Barb teaches not only how to set up a blog, but how to turn it into a money-making tool of communication with your audience. She brings several decades of teaching experience and common everyday language to what many see as a complicated subject. In this book you'll discover: How blogging can help to build and improve communication with an audience How to create powerful topics to blog about that generate shareable content and grow your audience How to create optimized blog posts that will get people talking How to maintain, protect & backup your content to keep your site safe for years to come How to monetize a blog and how to understand the actions of your audience Through a series of short & easy to follow chapters, How to Build Your Business with Blogging helps you choose the right platform, understand the technical aspects & get started today. If you like an easy-to-understand book that cuts through the technobabble that exists in many tech manuals, this book is for you! Pick up this great deal today & start blogging right away!

If you've thought about starting a blog but feel overwhelmed by all the blogging platform options, not to mention the technical side of things, today's your lucky day. The Blogger's Quick Guide to Starting Your First WordPress Blog is for you! In it you'll discover: -Why WordPress is the blogging platform of choice -The difference between hosted and self-hosted blogs - and how to determine which one is right for you -Step-by-step instructions (which lots of pictures!) for registering your domain name and setting up your first WordPress blog -How to select and install your first WordPress theme -How to write and format blog posts and pages -WordPress plugin basics, including plugins best practices, how to install plugins, and my top WordPress plugin picks -How to blog more efficiently - . . . and so much more! The best part is that this book will guide you through the process in a way that is easy to understand, even if you've never blogged before, and even if technology makes you want to sit in the corner and cry.
