inputdownable fairy tale Kerri Maniscalco, New York Times bestselling author of Kingdom of the Wicked From the #1 Sunday Times bestselling author of the Caraval series, the first book in a new series about love, curses, and the lengths that people will go to for happily ever after. For as long as she can remember, Evangeline Fox has believed in happily ever after. Until she learns that the love of her life is about to marry another, and her dreams are shattered. Desperate to stop the wedding, and heal her wounded heart, Evangeline strikes a deal with the charismatic, but wicked, Prince of Hearts. In exchange for his help, he asks for three kisses, to be given at the time and place of his choosing. But after Evangeline's first promised kiss, she learns that bargaining with an immortal is a dangerous game - and that the Prince of Hearts wants far more from her than she pledged. He has plans for Evangeline, plans that will either end in the greatest happily ever after, or the most exquisite tragedy . . . with magic and steamy slow-burning romance, I couldn't put it down' Mary E. Pearson, New York Times bestselling author of Vow of Thieves

Imagine if we treated broken hearts with the same respect and concern we have for broken arms? Psychologist Guy Winch urges us to rethink the way we deal with emotional pain, offering warm, wise, and witty advice for the broken-hearted. Real heartbreak is unmistakable. We think of nothing else. We feel nothing else. We care about nothing else. Yet while we wouldn't expect someone to return to daily activities immediately after suffering a broken limb, heartbroken people are expected to function normally in their lives, despite the emotional pain they feel. Now psychologist Guy Winch imagines how different things would be if we paid more attention to this unique emotion—if only we can understand how heartbreak works, we can begin to fix it. Through compelling research and new scientific studies, Winch reveals how and why heartbreak impacts our brain and our behavior in dramatic and unexpected ways, regardless of our age. Emotional pain lowers our ability to reason, to think creatively, to problem solve, and to function at our best. In *How to Fix a Broken Heart* he focuses on two types of emotional pain—romantic heartbreak and the heartbreak that results from the loss of a cherished pet. These experiences are both accompanied by severe grief responses, yet they are not deemed as important as, for example, a formal divorce or the loss of a close relative. As a result, we are often deprived of the recognition, support, and compassion afforded to those whose heartbreak is considered more

significant. Our heart might be broken, but we do not have to break with it. Winch reveals that recovering from heartbreak always starts with a decision, a determination to move on when our mind is fighting to keep us stuck. We can take control of our lives and our minds and put ourselves on the path to healing. Winch offers a toolkit on how to handle and cope with a broken heart and how to, eventually, move on.

Unfolding through letters, texts, and chats, Lauren Strasnick's smart, sexy, page-turning new novel is the ultimate he said/she said breakdown of a relationship gone wrong. Natalie and Dan were electric from the moment they met. Witty banter and sizzling chemistry made falling in love easy—even inevitable. He was in awe of her subversive art and contagious zest for life; she was drawn to his good-guy charm and drive to succeed as a documentary filmmaker. But that was before. Before hot tempers turned to blowout fights. Before a few little lies turned to broken trust. Before a hundred tiny slights broke them open and exposed the ugly truth of their relationship. And now Natalie wants Dan to know just how much he broke her. Over the course of one fateful day, Dan reads sixteen letters that Natalie has secretly, brilliantly hidden in places only he will find. And as he pieces together her version of their love story, he realizes that she has one final message for him. One that might just send his carefully constructed life tumbling down.

This time, even ice cream won't help. Nick Wainwright is definitely the love of thirteen-year-old Mabry Collins's life, and when he dumps her in the most mortifying way possible, her heart is shattered. So,

maybe they'd never kissed, but they had shared something special. They'd shared LOVE. True love. She's sure of it. And Mabry would know. She's watched countless episodes of her favorite telenovela with her best friend, Sirina, and the characters have taught her everything about romance. But when Sirina's usual methods for comforting Mabry fail, she has an idea: it's time for Mabry to break a heart of her own. And who better than Thad Bell to teach Mabry how to do it? He was the source of her very first heartbreak, and he seems to have his own reasons for wanting to see Nick suffer. Mabry decides to give it a shot, but she's pretty sure Thad's advice will lead to disaster. After all, his sole passion is a burrito with extra hot sauce. Anyone with any sense knows that true love doesn't come in a foil wrapper! But if Thad can help her win back???um, that is, break???Nick's heart, then it might just be worth it.

play the role of humiliated ex-girlfriend, but with Carissa directing her life from afar, it's finally time to take a shot at being a star. "Instructions for a Broken Heart transported me to Italy, back to high school, to the wrench and ache of a first breakup and the exhilaration of self-discovery...with multifaceted characters and realistic complexities, this unforgettable novel is a journey I'm so glad to have taken." -Eireann Corrigan, author of *Accomplish*

A searing portrait of the racial dynamics that lie inescapably at the heart of our nation, told through the turbulent history of the city of St. Louis. From Lewis and Clark's 1804 expedition to the 2014 uprising in Ferguson, American history has been made in St. Louis. And as Walter Johnson shows in this searing book, the city exemplifies how imperialism, racism, and capitalism have persistently entwined to corrupt the nation's past. St. Louis was a staging post for Indian removal and imperial expansion, and its wealth grew on the backs of its poor black residents, from slavery through redlining and urban renewal. But it was once also America's most radical city, home to anti-capitalist immigrants, the Civil War's first general emancipation, and the nation's first general strike—a legacy of resistance that endures. A blistering history of a city's rise and decline, *The Broken Heart of America* will forever change how we think about the United States.

Take a journey through a broken heart and how it was mended back together. Heartbreaks, criticisms, loss, questioning faith, and childhood memories can leave you feeling broken. In all that pain, comes out

again—and you'll be ready for anything. Of course, your feelings of grief, hurt, or shame may come and go. But in less than a month, you can be ready to deal with life's new challenges with a positive sense of emotional balance you may never have had before.

Nobody wants to experience the agony of heartbreak. But if you've ever been in love—really, truly in love—you already know you don't have a choice in the matter. Millions of women before you have undergone the painful experience of heartbreak and emerged on the other side wiser and stronger. *The Breakup Book: 20 Steps to Heal a Broken Heart* combines poignant and relatable stories from the author's own heartbreak—straight-talking wisdom from a woman who's been through it all, including the early days after a breakup when she couldn't get off the couch to moving on gracefully using various techniques to get her through the day. Some of it worked and some of it didn't, and that's where this guide comes in. If you're struggling to get back on your feet and reclaim your life after a breakup, this book will give you a roadmap to finding yourself again—a stronger, wiser self. With wit and honesty, Lesley Robins shares her own experiences to show that she too has suffered the lack of self-worth many women experience after a difficult breakup. She shapes the lessons she learned into frank and practical advice, providing simple and effective ways to move on with your life. With time and the right approach, your heart will heal and you will be ready to face the world with new-found strength and wisdom. *The Breakup Book* will help thousands, perhaps millions, of women who are struggling to find their life, their path, their soul when it seems that all is lost

"...a sexy romp with an undercurrent of emotion and familial devotion." —Entertainment Weekly The four very different Richardson sisters have one thing in common: their fierce loyalty to their family and pride in the historic bed and breakfast they own. But unexpected desire will challenge them in ways they never imagined . . . Sportswriter Nina Richardson had the perfect life away from her family's famous shadow. But a social media blowup and rejection by her boyfriend brought her back to their peaceful Charleston, South Carolina B&B to figure out what went wrong. So there's no way she's going to trust the crazy-hot sparks flying between her and handsome new employee Clinton Jefferson. It's just reckless, rip-his-clothes-off, one-night-and-forget-it lust—right? Fresh from working for the Richardsons' biggest rival, Clinton wants to show his modernization ideas aren't sabotage or a gimmick. Getting involved with the rebellious Nina means trouble for sure—but he can't resist showing this stubborn, fiery woman how she should be loved. But false accusations and Nina's returned ex shake their passion—and fragile trust—to the core. Now between cascading obstacles and conflicting loyalties, can Clinton and Nina untangle what they really want in time? "Hodges excels at portraying her trademark protagonists—smart, successful career women—with Nina and her siblings, and Clinton is as appealing as he is business savvy. Fans of Susan Mallery and Sheryl Woods will enjoy the keen and sexy launch of Hodges' Richardson Sisters series." —Booklist "More impressive is Hodges's characterization of Nina's two sisters, each of whom is
