Description Of College Life, Essay Sample

College life is caricatured as endless keg stands and carefree one night stands. Generations of American teens have been raised on Hollywood's depiction of the college experience: fraternity parties, tailgating at football games, sharing clothes with roommates, studying abroad, and meeting the love of your life through the stacks in the library.

It all comes down to the essay. Before the college application process began, I was already keenly aware that an essay has the potential to impact and change lives. A personal essay, written before I was born, has influenced my life and is, in a way, responsible for my existence! Until now, I have never publicly shared that I am a "donor kid." I was conceived via artificial insemination ...

People have been reading on computer screens for several decades now, predating popularization of personal computers and widespread use of the internet. But it was the rise of eReaders and tablets that caused digital reading to explode. In 2007, Amazon introduced its first Kindle. Three years later, Apple debuted the iPad. Meanwhile, as mobile phone technology improved and smartphones proliferated, the phone became another vital reading platform. In *Words Onscreen*, Naomi Baron, an expert on language and technology, explores how technology is reshaping our understanding of what it means to read. Digital reading is increasingly popular. Reading onscreen has many virtues, including convenience, potential cost-savings, and the opportunity to bring free access to books and other written materials to people around the world. Yet, Baron argues, the virtues of eReading are matched with drawbacks. Users are easily distracted by other temptations on their devices, multitasking is rampant, and screens coax us to skim rather than read in-depth. What is more, if the way we read is changing, so is the way we write. In response to changing reading habits, many authors and publishers are producing shorter works and ones that don't require reflection or close reading. In her tour through the new world of eReading, Baron weighs the value of reading physical print versus online text, including the question of what long-standing benefits of reading might be lost if we go overwhelmingly digital. She also probes how the internet is shifting reading from being a solitary experience to a social one, and the reasons why eReading has taken off in some countries, especially the United States and United Kingdom, but not others, like France and Japan. Reaching past the hype on both sides of the discussion, Baron draws upon her own cross-cultural studies to offer a clear-eyed and balanced analysis of the ways technology is affecting the ways we read today--and what the future might bring.

Prospective college students and their parents have been relying on Loren Pope's expertise since 1995, when he published the first edition of this indispensable guide. This new edition profiles 41 colleges—all of which outdo the Ivies and research universities in producing performers, not only among A students but also among those who get Bs and Cs. Contents include: Evaluations of each school's program and "personality" Candid assessments by students, professors, and deans Information on the progress of graduates This new edition not only revisits schools listed in previous volumes to give readers a comprehensive assessment, it also addresses such issues as homeschooling, learning disabilities, and single-sex education.

The struggles and achievements of today's college students are throws into stark relief in this fascinating account of how such students make meaning of their lives. Author Mary Grigsby uses the voices of students themselves to discuss how they view, adjust to, and participate in the college student culture of a large midwestern university and to explore what they think of their educational experiences. Topics include a look at a typical day on campus, student subcultures and the lifestyles they engender, whether college life conforms to the images and scenarios of popular culture, and student approaches to making it through college. Going to college has become the major coming-of-age experience for many people in the United States, and Mary Grigsby has provided a compelling, readable, and up-to-date account of this formative period. Book jacket.

Writing an amazing college admission essay is easier than you think! So you're a high school senior given the task of writing a 650-word personal statement for your college application. Do you tell the story of your life, or a story from your life? Do you choose a single moment? If so, which one? The options seem endless. Lucky for you, they're not. College counselor Ethan Sawyer (aka The College Essay Guy) will show you that there are only four (really, four!) types of college admission essays. And all you have to do to figure out which type is best for you is answer two simple questions: 1. Have you experienced significant challenges in your life? 2. Do you know what you want to be or do in the future? With these questions providing the building blocks for your essay, Sawyer guides you through the rest of the process, from choosing a structure to revising your essay, and answers the big questions that have probably been keeping you up at night: How do I brag in a way that doesn't sound like bragging? and How do I make my essay, like, deep? Packed with tips, tricks, exercises, and sample essays from real students who got into their dream schools, College Essay Essentials is the only college essay guide to make this complicated process logical, simple, and (dare we say it?) a little bit fun.

This Notebook journal is ideal to use as a journal, planner, to-do-list book, diary or notebook to keep track of your daily tasks and schedule. It can be used by kids, school and college students and even adults.

Almost everything about Wallace, an introverted African-American transplant from Alabama, is at odds with the lakeside Midwestern university town where he is studying for a biochem degree. For reasons of self-preservation, he has kept a distance even from his own friends - some dating each other, some dating women, some feigning straightness. But a series of confrontations with colleagues, and an unexpected encounter with a young straight man, conspire to fracture his defences, while revealing hidden currents of resentment and desire that threaten the equilibrium of their community.
