First Published in 1987. Routledge is an imprint of Taylor & Francis, an informa company.

The 2014 International Conference on Economics and Management Engineering (ICEME2014) is held in Hangzhou, China from October 18–19, 2014. The conference aims to provide an excellent international academic forum for all the researchers, practitioner, students and teachers in related fields to share their knowledge and results in theory, methodology and application on economics, management science and management engineering. ICEME2014 features unique mixed topics of Economics, Management Science, Management Engineering and other related ones. ICEME2014 proceeding tends to collect the most up-to-date, comprehensive, and worldwide state-of-art knowledge on economics, management science and management engineering. All the accepted papers have been submitted to strict peer-review by 2–4 expert referees, and selected based on originality, significance and clarity for the purpose of the conference. The conference program is extremely rich, profound and featuring high-impact presentations of selected papers and additional late-breaking contributions. We sincerely hope that the conference would not only show the participants a broad overview of the latest research results on related fields, but also provide them with a significant platform for
