Snap! : strategies for handling your fast-paced life. Look at what's happened to the usual how-are-you exchange. It used to go like this: "How are you?" "Fine." Now it often goes like this: "How are you?" "Busy." Or "Too busy." Or simply "Crazy." Without intending for it to happen or knowing how, when, or why it got started, many people now ...

Crazybusy—the modern phenomenon of brain overload—is a national epidemic. Without intending for it to happen, we've plunged ourselves into a mad rush of activity, expecting our brains to keep track of more than they comfortably or effectively can. In fact, as attention deficit disorder expert and bestselling author Edward M.
