The Sunday Times Top Ten Bestseller WINNER OF THE COSTA BIOGRAPHY AWARD Keggie Carew grew up under the spell of an unorthodox, enigmatic father. An undercover guerrilla agent during the Second World War, in peacetime he lived on his wits and dazzling charm. But these were not always enough to sustain a family. As his memory began to

Access Free Dadland A Journey Into Uncharted Territory

fail, Keggie embarked on a quest to unravel his story once and for all. Dadland is that journey. It takes us into shadowy corners of history, a madcap English childhood, the poignant breakdown of a family, the corridors of dementia and beyond. 'OH THIS BOOK. Beautiful and fierce and brave. Memory and war and family and loss and, well, wow' Helen Macdonald, author of *H is for Hawk*

The wartime adventures of the legendary SOE agent Harry Rée, told in his own words A school teacher at the start of the war, Harry Rée renounced his former pacifism with the fall of France in 1940. He was deployed into a secret branch of the British army and parachuted into central France in April 1943. Harry showed a particular talent for winning the confidence of local resisters, and guided them in a series of dramatic sabotage operations, before getting into a hand-to-hand fight with an armed German officer, from which he was lucky to escape. This might seem like a romantic story of heroism and derring-do, but Harry Rée's own war writings, superbly edited and contextualized by his son, the philosopher Jonathan Rée, are far more nuanced, shot through with doubts, regrets, and grief.

Keggie Carew has an unerring instinct for being in the wrong place at the wrong time, of putting her foot in it and making a hash of things. From the repercussions of a

Access Free Dadland A Journey Into Uncharted Territory

missing purse, to boiling a frog, or the holiday when the last thing you could possibly imagine happens, Keggie has been there. She also has an enviable talent for recycling awfulness and turning embarrassment into gold. In prose that will make you laugh, wince and curl your toes, Keggie Carew shares her most humiliating, awkward, uncomfortable, funny, true, terrible and all-too-relatable moments.

'wonderful, moving, humorous ... extremely poignant' Charlie Mortimer, *Dear Lupin*
'Iain's love for his son shines through every sentence of this affecting account, as does his guilt. He blames himself for being unable to demonstrate or verbalise his affection ... This is a wonderfully entertaining and moving book, with lessons for every parent.' *Daily Mail*
'A moving read - honest, funny and sad' *Woman and Home*
'Raising the issue of men's mental health is important ... loving and well meant mix of letters and commentary.' *Express*
Dear Michael, Moving your whatnots et al into the flat has put paid to any improvements in my back. Still, at least it's done now. Your mother is already worrying how you'll cope and is at work on reams of notes on all sorts of matters from how to tel if meat has gone off to washing whites. Smell it and wear black is my advice. When Iain Maitland's eldest son left home for university he wrote regularly to him: funny, curmudgeonly letters chronicling their family

Access Free Dadland A Journey Into Uncharted Territory

life and giving Michael unsolicited and hopeless advice on everything from car maintenance to women. He never expected a reply, they were just his way of continuing their relationship. What Iain didn't realise was that away from home his beloved boy was suffering from depression and anorexia. Only much later did it become apparent to Iain and his wife Tracey just how oblivious they had been, and for how very long. Told through Iain's letters and the unfolding truth of Michael's situation, Dear Michael, Love Dad is a frank and moving account of how we may unwittingly fail our loved ones, despite our best intentions. Above all it offers the hope of reparation and expresses the unbreakable bond between a father and son.

WARTIME BERLIN: The Niemann family - Karl, Minna and their four children - live in a quiet, suburban enclave. Every day Karl commutes to work, a business manager travelling around inspecting his "factories". In the evenings he returns home to life as a normal family man. Three years ago Derek Niemann, born and raised in Scotland, made the chilling discovery that his grandfather Karl had been an officer in the SS - and that his "business" used thousands of slave labourers in concentration camps, such as Auschwitz, Dachau, Buchenwald and Sachsenhausen. Derek had known little about the German side of his family, but now a lifetime of unsettling hints and clues began

Access Free Dadland A Journey Into Uncharted Territory

to fall into place. With the help of surviving relatives and hundreds of previously unknown family photographs, Derek uncovers the true story of what Karl did. A Nazi in the Family is an illuminating portrayal of how ordinary people can fall into the service of a monstrous regime.

For this revised edition of Hildegard's liturgical song cycle, Barbara Newman has redone her prose translations of the songs, updated the bibliography and discography, and made other minor changes. Also included is an essay by Marianne Richert Pfau which delineates the connection between music and text in the Symphonia. Famous throughout Europe during her lifetime, Hildegard of Bingen (1098-1179) was a composer and a poet, a writer on theological, scientific, and medical subjects, an abbess, and a visionary prophet. One of the very few female composers of the Middle Ages whose work has survived, Hildegard was neglected for centuries until her liturgical song cycle was rediscovered. Songs from it are now being performed regularly by early music groups, and more than twenty compact discs have been recorded.

COSTA BOOK OF THE YEAR AWARD WINNER "The hidden gem of the year . . . Sensational and gripping, and shedding light on some of the most urgent issues of our time, this was our unanimous winner." -Judges of the 2018 Costa Award The extraordinary true story of a young

Jewish girl in Holland during World War II, who hides from the Nazis in the homes of an underground network of foster families, one of them the author's grandparents Bart van Es left Holland for England many years ago, but one story from his Dutch childhood never left him. It was a mystery of sorts: a young Jewish girl named Lientje had been taken in during the war by relatives and hidden from the Nazis, handed over by her parents, who understood the danger they were in all too well. The girl had been raised by her foster family as one of their own, but then, well after the war, there was a falling out, and they were no longer in touch. What was the girl's side of the story, Bart wondered? What really happened during the war, and after? So began an investigation that would consume Bart van Es's life, and change it. After some sleuthing, he learned that Lientje was now in her 80s and living in Amsterdam. Somewhat reluctantly, she agreed to meet him, and eventually they struck up a remarkable friendship, even a partnership. The Cut Out Girl braids together a powerful recreation of that intensely harrowing childhood story of Lientje's with the present-day account of Bart's efforts to piece that story together, including bringing some old ghosts back into the light. It is a story rich with contradictions. There is great bravery and generosity--first Lientje's parents, giving up their beloved daughter, and then the Dutch families who face great danger from the Nazi

Access Free Dadland A Journey Into Uncharted Territory

occupation for taking Lientje and other Jewish children in. And there are more mundane sacrifices a family under brutal occupation must make to provide for even the family they already have. But tidy Holland also must face a darker truth, namely that it was more cooperative in rounding up its Jews for the Nazis than any other Western European country; that is part of Lientje's story too. Her time in hiding was made much more terrifying by the energetic efforts of the local Dutch authorities, zealous accomplices in the mission of sending every Jew, man, woman and child, East to their extermination. And Lientje was not always particularly well treated, and sometimes, Bart learned, she was very badly treated indeed. The Cut Out Girl is an astonishment, a deeply moving reckoning with a young girl's struggle for survival during war, a story about the powerful love of foster families but also the powerful challenges, and about the ways our most painful experiences define us but also can be redefined, on a more honest level, even many years after the fact. A triumph of subtlety, decency and unflinching observation, The Cut Out Girl is a triumphant marriage of many keys of writing, ultimately blending them into an extraordinary new harmony, and a deeper truth.

heartbreaking.’ NIGEL SLATER ‘So funny and so delicious. I could eat it.’ DAWN O’PORTER
‘Delicious.’ THE OBSERVER

Turn a betrayal inside out and you found its opposite, a secret and a bond. Perhaps that was what friendship came down to: a lifelong, affectionate mutual blackmail. Neil and Adam, two young men on the cusp of adulthood, meet one golden summer in California and, despite their different backgrounds, soon become best friends. But on a camping trip in Yosemite they lead each other into wrongdoing that, years later, both will desperately regret. Their connection holds through love affairs, fatherhood, the wild successes and unforeseen failures of booming London, as power and guilt ebb between them. Then the truth of that long-ago night emerges. What happens when you discover that the friendship you can't live without was always built on a lie?

“With each new book by Tessa Hadley, I grow more convinced that she’s one of the greatest stylists alive.”—Ron Charles, Washington Post
New York Times Book Review Editors' Choice | A Parnassus First Editions Club Pick | Powell's Indispensable Book Club Pick | A Washington Post Notable Book | A Slate Best Book of the Year | A Boston Globe Best Book of the Year | A Bookpage Best Book of the Year
The lives of two close-knit couples are irrevocably changed by an untimely death in the latest from Tessa Hadley, the acclaimed novelist and

Access Free Dadland A Journey Into Uncharted Territory

short story master who “recruits admirers with each book” (Hilary Mantel). Alexandr and Christine and Zachary and Lydia have been friends since they first met in their twenties. Thirty years later, Alex and Christine are spending a leisurely summer’s evening at home when they receive a call from a distraught Lydia: she is at the hospital. Zach is dead. In the wake of this profound loss, the three friends find themselves unmoored; all agree that Zach, with his generous, grounded spirit, was the irreplaceable one they couldn’t afford to lose. Inconsolable, Lydia moves in with Alex and Christine. But instead of loss bringing them closer, the three of them find over the following months that it warps their relationships, as old entanglements and grievances rise from the past, and love and sorrow give way to anger and bitterness. *Late in the Day* explores the complex webs at the center of our most intimate relationships, to expose how, beneath the seemingly dependable arrangements we make for our lives, lie infinite alternate configurations. Ingeniously moving between past and present and through the intricacies of her characters’ thoughts and interactions, Tessa Hadley once again “crystallizes the atmosphere of ordinary life in prose somehow miraculous and natural” (Washington Post).
