Coaching delivers high performance in you, your team, and your organization. "Coaching for Performance is the proven resource for all coaches and pioneers of the future of coaching." - Magdalena N. Mook, CEO, International Coach Federation (ICF) "Shines a light on what it takes to create high performance." - John McFarlane, Chairman, Barclays, Chairman, TheCityUK Coaching for Performance is the definitive book for coaches, leaders, talent managers and professionals around the world. An international bestseller, featuring the influential GROW model, this book is the founding text of the coaching profession. It explains why enabling people to bring the best out of themselves is the key to driving productivity, growth, and engagement. A meaningful coaching culture has the potential to transform the relationship between organizations and employees and to put both on the path to long-term success. Written by Sir John Whitmore, the pioneer of coaching, and Performance Consultants, the global market leaders in performance coaching, this extensively revised and extended edition will revolutionize the traditional approach to organizational culture. Brand-new practical exercises, corporate examples, coaching dialogues, and a glossary strengthen the learning process, whilst a critical new chapter demonstrates how to measure the benefits of coaching as a return on investment, ensuring this landmark new edition will remain at the forefront of professional coaching and leadership development.

Clear, concise, hands-on, and reader friendly, this is a coaching guide written in a coaching style.

This edition now out of print. 4th Edition available.

Challenging Coaching is a real-world, timely and provocative book which provides a wake-up call to move beyond the limitations of traditional coaching. Based on the authors' extensive experience working at board and management levels, they suggest that for far too long coaching approaches have shied away from adopting a more challenging stance - a stance that can provoke greater performance and unlock deeper potential in business leaders and their teams. The authors detail their unique FACTS coaching model, which provides a practical and pragmatic approach focusing on Feedback, Accountability, Courageous goals, Tension and Systems thinking. The authors explore FACTS coaching in theory and in practice using case studies, example dialogues and practical exercises so that the reader will be able

to successfully challenge others using respectful yet direct techniques. This is an original and thought-provoking book that dares the reader to go beyond traditional coaching and face the FACTS.

This updated and expanded second edition of Book provides a user-friendly introduction to the subject, Taking a clear structural framework, it guides the reader through the subject's core elements. A flowing writing style combines with the use of illustrations and diagrams throughout the text to ensure the reader understands even the most complex of concepts. This succinct and enlightening overview is a required reading for all those interested in the subject .We hope you find this book useful in shaping your future career & Business.

Performance Coaching offers a guide to the fundamentals of coaching with an overview of all the key principles, tools and case studies you need to develop more advanced knowledge. Whether you're thinking about becoming a coach, already running a professional coaching practice or thinking about how you can embed a coaching culture in your organization, Carol Wilson illustrates how to develop a best practice approach. Using practical tools throughout and with international case studies to illustrate the various cultural challenges coaches and managers can face, Performance Coaching is a complete resource for developing coaching in any organization. This new edition of Performance Coaching has been completely updated to offer a greater focus on building a coaching culture in organizations and the challenges that leaders face in understanding and developing a coaching approach.

A state-of-the-art reference, drawing on key contemporary research to provide an in-depth, international, and competencies-based approach to the psychology of coaching and mentoring. Puts cutting-edge evidence at the fingertips of organizational psychology practitioners who need it most, but who do not always have the time or resources to keep up with scholarly research Thematic chapters cover theoretical models, efficacy, ethics, training, the influence of emerging fields such as neuroscience and mindfulness, virtual coaching and mentoring and more Contributors include Anthony Grant, David Clutterbuck, Susan David, Robert Garvey, Stephen Palmer, Reinhard Stelter, Robert Lee, David Lane, Tatiana Bachkirova and Carol Kauffman With a Foreword by Sir John Whitmore

Management.

Published with the Association for Coaching, Excellence in Coaching presents cutting-edge thinking in the field of workplace coaching.
