Descriptive Essay About The Beach

'Writing with Stardust' will launch your writing skills into a different orbit. It not only shows you how to write, it teaches you how to look at the world with an 'artist's eye'. Spring is described as nature's defibrillator in the book. In the same way, the techniques used here will be the high voltage pacemaker you have been looking for in your writing. Ready to greet you are females with constellation-blue eyes and megawatt smiles. Males with Hercules-gold hair move like panthers in slow-mo. Thumb plump bumblebees, wings a-thrum, loot from honeypots of mustard-yellow flowers. Willowy waterfalls swoop into infinity pools while the stars above sparkle like angel fire. Pine and peat, mint and meringue; all the smells and tastes you could wish for are inside. Join us on a multisensory voyage of discovery that will change the way you think forever. Nature can be a cruel mistress, however. Blood-red moons leer over boiling seas while mariners try to defy ancient curses. Grim faced men fight for their lives under starless skies and sun blasted deserts burn hotter than Greek fire. Even the lightning flashes like the cold, gold prongs of the Apocalypse. The book provides a platform for students, parents, teachers and lovers of English to launch their descriptive powers into a new orbit. The word banks contain words for five different levels of ability. Whether you are a young English student or a seasoned scribe, you will find that this book will transform the way you think about descriptive writing.

Fiction. THE MOTHS AND OTHER STORIES, Helena Maria Viramontes' stories exploring women's struggles to overcome the dictates of family, culture, and church, is in a new edition. Prejudice and the social and economic status of Chicanos often form the backdrop for these haunting stories, but their central, unifying theme deals with the social and cultural values which shape women's lives and which they struggle against with varying degrees of success.

Examines plant and animal life, minerals, and other riches below the surface of the ocean, and the potential havoc that humans can wreak in harvesting resources from the seas.

Write right in for scholarly success While world-renowned for the precision and clarity it lends to scholarly writing, keeping track of APA style's exacting standards can be demanding (at times even excruciating!) for initiates and seasoned writers alike. Created and governed by the American Psychological Association, it provides a universal style for formatting, citations, and footnotes in psychological research, behavioral and social science journals, and beyond. Getting up to speed is tough stuff, but once you've got it, your work will have that easy-to-follow scholarly authority that will get high marks from your professors and peers alike. Your friendly, frustration-free guide for this adventure in simplifying APA style is Joe Giampalmi, who has taught more than 100 APA-style composition courses to college students. He takes the pain of following APA style away by breaking it down to its essential elements and focusing on the important stuff students encounter most. You'll work through specific, real-life examples of using APA style for psychology, criminology, business, and nursing papers. In addition to demystifying the intricacies of formatting and citation, APA Style & Citations For Dummies has got you covered in all matters of grammar and punctuation—as well as guidance on how APA style can help you negotiate issues around the ethics of authorship and the importance of word choice in reducing bias. Develop conciseness and clarity Pay attention to flow, structure, and logic in your writing Know when, why, how, and what to cite Keep your writing ethically conscious and bias-free Writing in APA style is something that almost all students will need to do at some point: APA Style & Citations For Dummies is a must-have desk reference to know how to win the approval of your professors—and earn the marks you need for success!

Descriptive Essay About The Beach

One of the best-selling young adult books of all time, written by Pulitzer Prize-winning author Paul Zindel. John Conlan is nicknamed " The Bathroom Bomber " after setting off firecrackers in the boys ' bathroom 23 times without ever getting caught. John and his best friend, Lorraine, can never please their parents, and school is a chore. To pass the time, they play pranks on unsuspecting people and it's during one of these pranks that they meet the " Pigman. " In spite of themselves, John and Lorraine soon get caught up in Mr. Pignati ' s zest for life. In fact, they become so involved that they begin to destroy the only corner of the world that has ever mattered to them. Can they stop before it ' s too late?'

Descriptive Essay About The Beach

A young Native American woman remembers her volatile childhood as she searches for her lost brother in the Canadian wilds in an extraordinary, critically acclaimed debut novel As she races along Canada ' s Douglas Channel in her speedboat—heading toward the place where her younger brother Jimmy, presumed drowned, was last seen—twenty-year-old Lisamarie Hill recalls her younger days. A volatile and precocious Native girl growing up in Kitamaat, the Haisla Indian reservation located five hundred miles north of Vancouver, Lisa came of age standing with her feet firmly planted in two different worlds: the spiritual realm of the Haisla and the sobering " real " world with its dangerous temptations of violence, drugs, and despair. From her beloved grandmother, Ma-ma-oo, she learned of tradition and magic; from her adored, Elvis-loving uncle Mick, a Native rights activist on a perilous course, she learned to see clearly, to speak her mind, and never to bow down. But the tragedies that have scarred her life and ultimately led her to these frigid waters cannot destroy her indomitable spirit, even though the ghosts that speak to her in the night warn her that the worst may be yet to come. Easily one of the most admired debut novels to appear in many a decade, Eden Robinson ' s Monkey Beach was immediately greeted with universal acclaim—called " gripping " by the San Diego Union-Tribune, " wonderful " by the Milwaukee Journal Sentinel, and " glorious " by the Globe and Mail, earning nominations for numerous literary awards before receiving the Ethel Wilson Fiction Prize. Evocative, moving, haunting, and devastatingly funny, it is an extraordinary read from a brilliant literary voice that must be heard.

A poignant, candid chronicle of a beloved nature writer ' s fifty-year relationship with an iconic American landscape. Those who have encountered Cape Cod—or merely dipped into an account of its rich history—know that it is a singular place. Robert Finch writes of its beaches: " No other place I know sears the heart with such a constant juxtaposition of pleasure and pain, of beauty being born and destroyed in the same moment. " And nowhere within its borders is this truth more vivid and dramatic than along the forty miles of Atlantic coast—what Finch has always known as the Outer Beach. The essays here represent nearly fifty years and a cumulative thousand miles of walking along the storied edge of the Cape ' s legendary arm. Finch considers evidence of nature ' s fury: shipwrecks, beached whales, towering natural edifices, ferocious seaside blizzards. And he ponders everyday human interactions conducted in its environment with equal curiosity, wit, and insight: taking a weeks-old puppy for his first beach walk; engaging in a nocturnal dance with one of the Cape ' s fabled lighthouses; stumbling, unexpectedly, upon nude sunbathers; or even encountering out-of-towners hoping an Uber will fetch them from the other side of a remote dune field. Throughout these essays, Finch pays tribute to the Outer Beach ' s impressive literary legacy, meditates on its often-tragic history, and explores the strange, mutable nature of time near the ocean. But lurking behind every experience and observation—both pivotal and quotidian—is the essential question that the beach beckons every one of its pilgrims to confront: How do we accept our brief existence here, caught between overwhelming beauty and merciless indifference? Finch ' s affable voice, attentive eye, and stirring prose will be cherished by the Cape ' s staunch lifers and erstwhile visitors alike, and strike a resounding chord with anyone who has been left breathless by the majestic, unrelenting beauty of the shore.

Dive into this playful poem about the draw of the shore and the effect the ocean has on all five senses. Relive a day at the beach with this lovely book of memories. You can almost feel the salt spray on your face and smell the musky scent of ocean in the cool morning air. Remember how the sand squishes between your toes as the tide rushes to shore and taste the tang of the ocean on your lips. Spirited language evokes a sense of closeness and nostalgia for an old friend. The inspiration of the ocean will make learning the five senses as easy as a day at the beach. Crisp, realistic illustrations fill the pages with the rush of surf and the warmth of sun-baked sand. The sights and smells and sensations of the sea become vividly clear in these beautifully rendered paintings.
