The failure of medicine's practitioners to recognise and appropriately treat mind-body disorders has produced public health and economic problems of major proportions. The Divided Mind outlines the history of psychosomatic medicine, including Freud's crucial role and describes the psychology responsible for the broad range of psychosomatic illness. Arguing that knowledge and awareness of psychosomatic phenomena clearly have healing powers, Dr Sarno reveals how and why thousands of people ...

About The Divided Mind. TDM refers to Sarno's latest book, The Divided Mind: The Epidemic of Mindbody Disorders. Written in 2006, his book goes into much more detail on the psyche part, also incorporating a broader array of TMS symptoms and chapters from other authors such as Dr. Marc Sopher. This is also a recommended read for people who have been relieved of their symptoms by an earlier book but want to increase their chances of staying on top of things, as it incorporates more knowledge.
