Draft Paper Aes Journals  
The Journal of the Audio Engineering Society — the official publication of the AES — is the only peer-reviewed journal devoted exclusively to audio technology. Published 10 times each year, it is available to all AES members and subscribers. The Journal contains state-of-the-art technical papers and engineering reports; feature articles covering timely topics; pre and post reports of AES conventions and other society activities; news from AES sections around the world; Standards and ...

Journal of the Audio Engineering Society  
The AES Journal seeks original unpublished research papers and engineering reports of archive quality on subjects related to the audio domain. All submissions will go through a peer review process to check their suitability for JAES. Manuscripts should describe original work unpublished elsewhere and not being considered for publication elsewhere.
