People choose to persist in sin. And that's why it's imperative for you to leave . . . so you can think clearly, take stock of the situation, and most of all, protect yourself and those whom you love. Dr.

David Clarke, a licensed psychologist specializing in marital therapy for more than 30 years, wants to help you make the break from your abusive relationship. Whether or not divorce is on the horizon is

I was forced to

Young people are

violence—as
early as

Teens are

Enough Is Enough is a call to action for teens ready to lend their voices to the gun violence prevention movement. This handbook deftly

America's gun

and the

including

Informative

Intervention, a

What do you do
when someone you

care about is caught in the downward spiral of addiction? The goal of an intervention is to get the person who is addicted to alcohol, to drugs, to gambling, to sex, to what have you to seek

today. And it is
remarkably
effective: over
80 percent of

Finnigan offers

and hope to
people who care
about someone
with an
addiction. She
acknowledges
that although
intervention is
a powerful tool,
it is a
complicated
process—one that
absolutely must

This kind of confrontation must be highly structured, and Finnigan—a veteran of hundreds of interventions—provides a frank but sympathetic guide to preparing for and staging an

What Ireland

This disastrous

We are living in

people are

starving for
wisdom and
knowledge. So
often we reach

what we don't

The book title
echoes the words
of both Theodore
Roosevelt and
Muhammad Ali,
respectively.

"Enough IS

reminiscent of
the words, "Do

you are." The
Subtitle,
"What's In Your
S.H.O.E.?" is
symbolic of the
champ's famous
quote, "It isn't
the mountains

that wears you
out; it's the
pebble in your
shoe." Do you

Get Free Enough Is

feel (i) Stuck,
(ii) Moving at
rapid speed but
in the wrong
direction, or
(iii) moving in
the right
direction, but
with a limp,
because of the
"pebble" in your
shoe? Is there a
pebble on the
inside that

Get Free Enough Is

Enough keeps you from walking upright? Do you have to sit and take a moment to think about the Spirit, the Habits, the Point of view, and the Emotional Intelligence that goes into getting rid of

that pebble? How
will you
acknowledge, and
then make the
changes
necessary to
shake the pebble

When asked what

Dr. Charles
says, without
