How to Get Started Right - in Leading Every Man A WarriorEveryman Ysis
Gota's War is tightly narrated, and its strength is its overview rather than its detail, its everyman view rather than its historical perspective. Chandraprema's description of the offensives in the ...

This book is about Christianity, Islam, Judaism, and how the Arabs and Europeans took these Afrikan Religious Belief Systems from ancient Egypt, North Afrika and used them during The Trans-Sahara Afrikan Slave Trade by the Arabs in the name of Allah, and followed by The Transatlantic Afrikan Slave Trade by the Europeans in the name of Jesus, to enslave the bodies, minds, and souls of the Afrikan Race. This book is about the "Jesus' Deception" that has been passed on down through history by European historians, that is still being taught around the world today. This book takes a provocative intellectual, scholastic, historical, cultural, and sociological look at the Bible. This book identifies the names of the translators of the King James Bible of 1611 A. D., and when the chapters and verses in the Bible were created and who created them. The purpose of this book is to expose the historical, cultural, sociological, religious and theological lies of the Europeans and the Arabs. This book reveals the truth of the origination of The Bible, as "There Is No Religion Higher Than The Truth". Join me in an intellectual odyssey through time. Here, I feel like a Lone Warrior standing before a mighty army. Come with me on this perilous pilgrimage as we travel through a parallel universe. I dedicate this book to my mother and father who gave me life. To the rest of my Native Afrikan family for supporting me and encouraging me on this publishing venture. To the Heavenly Father, without whom none of this would be possible. There are others I would also like to thank for being a part of helping me through this journey called Life, such as my professors at the Alabama State University where many a great scholars paths I have crossed. To my American family and friends in Mobile, Alabama who nurtured and taught me from childhood to adulthood. The many friends and colleagues I met in my travels all across America in my intellectual journey, and last but certainly not least, to my publisher for granting me the opportunity to speak to many all around the world in this forum. I am eternally indebted to you all-Thank you.
