I'm really enjoying FF - I read a few chapters a week to savour it as the ideas it puts forward need a bit of attention. Maxwell makes excellent points about how perception of failure works against us and puts up solid arguments for rethinking your attitude to failure, to adjust your understanding of how success is attained.

Summary Of The Book Failing Forward Turning Mistakes Into Stepping Stones For Success By John C Maxwell Book Description : ABOUT THE ORIGINAL BOOK The attitude that people have when they face failure is one of the traits that determine success in their lives and projects.

Are some people born to achieve anything they want while others struggle? Call them lucky, blessed, or possessors of the Midas touch. What is the real reason for their success? Is it family background, wealth, greater opportunities, high morals, an easy childhood? New York Times best-selling author John C. Maxwell has the answer: The difference between average people and achieving people is their perception of and response to failure. Most people are never prepared to deal with failure. Maxwell says that if you are like him, coming out of school, you feared it, misunderstood it, and ran away from it. But Maxwell has learned to make failure his friend, and he can teach you to do the same. "I want to help you learn how to confidently look the prospect of failure in the eye and move forward anyway," says Maxwell. "Because in life, the question is not if you will have problems, but how you are going to deal with them. Stop failing backward and start failing forward!"

#1 New York Times bestselling author John C. Maxwell believes that any setback, whether professional or personal, can be turned into a step forward when you possess the right tools to turn a loss into a gain. Drawing on nearly fifty years of leadership experience, Dr. Maxwell provides a roadmap for winning by examining the eleven elements that constitute the DNA of learners who succeed in the face of problems, failure, and losses. 1. Humility - The Spirit of Learning 2. Reality - The Foundation of Learning 3. Responsibility - The First Step of Learning 4. Improvement - The Focus of Learning 5. Hope - The Motivation of Learning 6. Teachability - The Pathway of Learning 7. Adversity - The Catalyst of Learning 8. Problems - The Opportunities of Learning 9. Bad Experiences - The Perspective for Learning 10. Change - The Price of Learning 11. Maturity - The Value of Learning Learning is not easy during down times, it takes discipline to do the right thing when something goes wrong. As John Maxwell often points out--experience isn't the best teacher; evaluated experience is.

ABOUT THE ORIGINAL BOOK The attitude that people have when they face failure is one of the traits that determine success in their lives and projects. What makes a winner triumph is to know how to turn failure into an opportunity to learn and develop a path towards identified goals. These are the central ideas developed by John C. Maxwell in this book. He presents a series of extremely educational and descriptive steps that will allow changing perspectives in the face of a failure, and then redirecting these efforts towards success. The fundamental thing in life is to learn to learn from obstacles, and then to overcome them. The characteristic style of the author and his practical content make this work a best seller in sales. Criticism is normal, and taking it well helps leaders and businessmen, as well as for anyone who aspires to a successful life.-ABOUT SAPIENS EDITORIALBooks are mentors. Books can guide what we do and our lives. Many of us love books while reading them and maybe they will echo with us a few weeks after but 2 years later we cant remember if we have read it or not. And thats a shame. We remember that at that time, the book meant a lot to us. Why is it that 2 years later we have forgotten everything? Thats not good.This summary is taken from the most important themes of the original book.Most people dont like books. People just want to know what the book says they have to do. If you trust the source you dont need the arguments. So much of a book is arguing its points, but often you dont need the argument if you trust the source you can just get the point.This summary takes the effort to distill the blats into themes for the people who are just not going to read the whole book. All this information is in the original book.

The pair of psychologists behind a popular class at Stanford University called " Fail Fast, Fail Often " discuss how people who aren't worried about making mistakes tend to live happier, more successful lives and learn more from their experiences and opportunities. Original.

Most of us look at our days in the wrong way: We exaggerate yesterday, We overestimate tomorrow, We underestimate today, The truth is that the most important day you will ever experience is today, Today is the key to your success. Maxwell offers 12 decisions and disciplines-he calls it his daily dozen-that can be learned and mastered by any person to achieve success.

New York Times best-selling author Dr. John C. Maxwell has a message for you, and for today's corporate culture fixated on talent above all else: TALENT IS NEVER ENOUGH. People everywhere are proving him right. Read the headlines, watch the highlights, or just step out your front door: Some talented people reach their full potential, while others self-destruct or remain trapped in mediocrity. What makes the difference? Maxwell, the go-to guru for business professionals across the globe, insists that the choices people make-not merely the skills they inherit-propel them onto greatness. Among other truths, successful people know that: Belief lifts your talent. Initiative activates your talent. Focus directs your talent. Preparation positions your talent. Practice sharpens your talent. Perseverance sustains your talent. Character protects your talent. . . . and more!! It's what you add to your talent that makes the greatest difference. With authentic examples and time-tested wisdom, Maxwell shares thirteen attributes you need to maximize your potential and live the life of your dreams. You can have talent alone and fall short of your potential. Or you can have talent plus, and really stand out.

Gather successful people from all walks of life-what would they have in common? The way they think! Now you can think as they do and revolutionize your work and life! A Wall Street Journal bestseller, HOW SUCCESSFUL PEOPLE THINK is the perfect, compact read for today's fast-paced world. America's leadership expert John C. Maxwell will teach you how to be more creative and when to question popular thinking. You'll learn how to capture the big picture while focusing your thinking. You'll find out how to tap into your creative potential, develop shared ideas, and derive lessons from the past to better understand the future. With these eleven keys to more effective thinking, you'll clearly see the path to personal success.
