William Shakespeare (26 April 1564 - 23 April 1616) was an English poet, playwright, and actor, widely regarded as the greatest writer in the English language and the world's pre-eminent dramatist. He is often called England's national poet, and the "Bard of Avon". His works, including collaborations, consist of approximately 38 plays, 154 sonnets, two long narrative poems, and a few other verses. His plays have been translated into every major living language and are performed more often than those of any other playwright.

Discusses effective methods for teaching Hamlet and Henry IV, providing techniques and strategies for teaching Shakespeare through performance.

Shakespeare ' s one of the greatest playwrights of all time—but telling a student this isn ' t enough. This bundled book is perfect for teachers looking for lesson plans and other resources to get students interested in the Bard. Inside you will find a five day lesson plan, discussion questions, a comprehensive study guide, a biography about the life and times of Shakespeare, and a modern retelling (along with the original text) of Shakespeare ' s Hamlet. Each section of this book may also be purchased individually.

The aim of Nelson Thornes Framework English Access is to raise standards in writing for lower attainers. Access Skills in Fiction and Non-Fiction offers the rigour and support necessary to raise the attainment of students struggling through Years 7 - 10.

Paths to College and Career Jossey-Bass and PCG Education are proud to bring the Paths to College and Career English Language Arts (ELA) curriculum and professional development resources for grades 6 – 12 to educators across the country. Originally developed for EngageNY and written with a focus on the shifts in instructional practice and student experiences the standards require, Paths to College and Career includes daily lesson plans, guiding questions, recommended texts, scaffolding strategies and other classroom resources. Paths to College and Career is a concrete and practical ELA instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to read closely and engage in text-based discussions, build evidence-based claims and arguments, conduct research and write from sources, and expand their academic vocabulary. Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented students. This enhanced curriculum provides teachers with freshly designed Teacher Guides that make the curriculum more accessible and flexible, a Teacher Resource Book for each module that includes all of the materials educators need to manage instruction, and Student Journals that give students learning tools for each module and a single place to organize and document their learning. As the creators of the Paths ELA curriculum for grades 6 – 12, PCG Education provides a professional learning program that ensures the success of the curriculum. The program includes: Nationally recognized professional development from an organization that has been immersed in the new standards since their inception. Blended learning experiences for teachers and leaders that enrich and extend the learning. A train-the-trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches. Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation.

Oskar Schell, the nine-year-old son of a man killed in the World Trade Center attacks, searches the five boroughs of New York City for a lock that fits a black key his father left behind.

A comprehensive collection of the best writing about this Shakespearean play, both as dramatic literature and theatrical performance, this book is an excellent resource companion to the text. This collected wisdom was originally published in 1986. It contains pieces of commentary from as far back as the late 18th Century but also highly acclaimed critical pieces from more recent years, organised into six general themes.
