The New York Times praised this best-selling picture book as "adorable, original, well-illustrated and fabulous." In this first book in the How-To Series (which includes How To Get Married and How to Get a Job), the know-it-all big sister narrator tells it like it is: When you're a baby you don't read books. You eat them. You don't know how old you are, or even if you're a boy or a girl. And you have to keep a special plug in your mouth to stop your scream from coming out. But one day, you won't be little anymore, and then you'll be taller and smarter, and actually quite clever. Like the narrator. And you'll be able to share memories of what it was like when you were little with your incredible Big Sister.

succeed in the world. Full color photos accompany the tips to help babies learn basic skills such as how to eat, poop, and sleep. And since many couples treat the dog as their first baby, or fur baby, you can be sure the dog has mastered these skills before providing advice on such important issues. This book is a "must have" for anyone with a new baby or a baby on the way. It is especially for anyone with a dog, or who is a dog lover. The pictures will make you smile and the tips will make you laugh. Most importantly, the advice will help make every baby a successful member of the family. The tips are provided by Toby, the jumbo-sized Pekingese. Toby was an only dog who learned how to make mom and dad happy by playing, snuggling, and generally being silly. When his little brother was born, he gathered these tips to help make sure that the new baby would make a smooth transition into the family. Hence, How To Be A Good Baby: Tips From The Dog was born.

A nasal aspirator may be useful to remove the mucus. The mucus might be thick and sticky, making it difficult to expel from the nostril. Nasal congestion is the blockage of the nasal passages usually due to membranes lining the nose becoming swollen from inflamed blood vessels. It is also known as nasal blockage, nasal obstruction, blocked nose, stuffy nose, or plugged nose. Nasal congestion has many causes and can range from a mild annoyance to a life-threatening condition. The newborn infant prefers to breathe through the nose. Nasal congestion in older children and adolescents is often just an annoyance but can cause other difficulties. This ebook by Robin Hood will give a brief explanation on Baby Nasal Aspirator, for more information visit: <http://www.amazon.com/COZY-BABY-NASAL-ASPIRATOR-Congestion/dp/B00CAHWUDQ>
