destined for greatness.” – New York Journal of Books Cath is a Simon Snow fan.

Kagome tries to help Inuyasha fight the Thunder Brothers, but does more harm than good. Then when Kagome returns to her era, she finds the shards causing trouble there as well. Illustrated with actual frames from the anime seen on Cartoon Network.

Kagome seems like an ordinary high school girl...until she's transported to medieval Japan and discovers that her destiny links her to the powerful Jewel of Four Souls and to a half-man, half-dog-demon named Inuyasha! Sensing a great demonic presence, Inuyasha and the others follow it, hoping it will lead them to Naraku. Instead, they find themselves at a castle being haunted by a giant demon's floating head! At first, the group decides to help rid the castle of the demon and quickly go on their way. But when Miroku learns of the beautiful princess residing there, plans quickly change, much to Sango's chagrin... Kagome is a modern Japanese high school girl. Never the type to believe in myths and legends, her world view dramatically changes when, one day, she's pulled out of her own time and into another! There, in Japan's ancient past, Kagome discovers more than a few of those dusty old legends are true, and that her destiny is linked to one legendary

creature in particular--the dog-like half-demon called Inuyasha! That same trick of fate also ties them both to the Shikon Jewel, or "Jewel of Four Souls." But demons beware...the smallest shard of the Shikon Jewel can give the user unimaginable power.

Follows the adventures of high school student Kagome and the feral half-demon dog-boy Inuyasha as they join forces to reclaim the "Jewel of Four Souls" to prevent evil mortals and demons from using its terrifying powers.

A teenage girl travels back in time to medieval Japan to help the half demon dog, half man Inuyasha find an orb of great power.

Using his blade Tetsusaiga, Inuyasha uncovers the Panther Demons' hideout. While he searches for the kidnapped Kagome and battles hoards of Panther Demons, his older brother Sesshomaru arrives on the scene and orders him to leave, but Inuyasha insists on fighting alongside his brother. With the revival of the Panther Demons' leader at hand, can Inuyasha, Koga and Sesshomaru work together long enough to defeat the great demon and rescue Kagome?

destiny linked to a doglike half-demon named Inu-Yasha, who remembers Kagome's previous incarnation as the woman who killed him - and to the Shikon Jewel, or "Jewel of Four Souls," which can fulfill the greatest dreams of any man or monster. Now Kagome and Inu-Yasha must work together to search for the scattered shards of the jewel before everyone's nightmares are given the power the need to come true.

In a reinvented Victorian England, Ray's father and grandfather, both inventors, are fighting for control over the steam ball, a powerful force that could be used to revolutionize the world, or destroy it, and Ray is caught in the middle.

Evil Kagura and demonic baby Hakudoshi are searching for the border between the afterworld and this world, where it is said that the last Shikon Jewel shards lies. Inuyasha and the others are also doing everything they can to recover this last shard. Could it be that Inuyasha and Kagome have been to this border before?!
