This book is a most exciting and unusual study of cultural history. The idea of the pregnant man, redolent of bawdy jokes and sexual fantasy, has inspired European literature and folklore since ancient times. Traces of the theme, both comical and disturbing, are found not only in the wealth of tales from Italy, France, Germany, Russia, Finland and other European Countries, but also in the Hebrew and Islamic traditions.

Multiplication adds fun to drill work, an essential part of learning computation and of standardized test preparation. Various activities provide practice in single-digit through three-digit by two-digit multiplication. Problems are presented horizontally and vertically, and assessment pages allow students to keep track of their score for each set of problems. This reproducible workbook is ideal for small-group practice, individual practice, and learning-center activities. An answer key is also included.

Can a spirited beauty tame a Highland beast? Born into both affluence and adoration, Sabrina Cameron, the "princess" of Clan Cameron has never met a soul she couldn't charm—until she comes face to face with Morgan MacDonnell, the son of her father's lifelong enemy. As adults, they are thrown together to end the bloody feud between their families. Morgan spirits the delicate rose of a girl away to his rugged castle, never suspecting that his own surrender will be the sweetest victory of all. Book 3 of 5 of the Brides of the Highlands Series (Can be read in any order) The Brides of the Highlands Series includes The Devil Wears Plaid, Heather and Velvet, A Whisper of Roses, Some Like It Wicked and Some Like It Wild —A Whisper of Roses will make you laugh and cry. —USA Today —Just one more fantastic example of Teresa Medeiros's storytelling ability. Her characters leap from the page to capture your imagination and your heart. Entrhralling and unforgettable! —Romantic Times —Medeiros casts a spell with her poignant writing. An outstanding reading adventure from cover to cover! —Rendezvous —A superb storyteller. Medeiros can pull every last emotion from the reader with tear-inducing scenes and laugh-out-loud dialogue. —Booklist ENGLISH LANGUAGE EDITION Scottish romance, Highland romance, Clan romance, Bride romance

The professional programmer's Deitel® guide to procedural programming in C through 130 working code examples Written for programmers with a background in high-level language programming, this book applies the Deitel signature live-code approach to teaching the C language and the C Standard Library. The book presents the concepts in the context of fully tested programs, complete with syntax shading, code highlighting, code walkthroughs and program outputs. The book features approximately 5,000 lines of proven C code and hundreds of savvy tips that will help you build robust applications. Start with an introduction to C, then rapidly move on to more advanced topics, including building

Renowned Dayton, Ohio photographer Dan Cleary blends his passion for photography with a fascination for the Wright Brothers' legacy. In his book, *Wright Brothers: Then and Now*, Cleary seamlessly blends historical images of the Wright Brothers with current images he has taken at the same locations. The

Read Free Leitura Canon Mx860 Manual Livro

result is a compelling visual tribute to the pioneers of flight. The Wright Brothers were accomplished photographers and used photography in their process of discovery. Cleary obtained digital photographs by and about the Wright Brothers for this project. He then traveled to Ohio, North Carolina, Virginia, Michigan, New York, and France to capture current-day photographs at locations where the Wright Brothers made their early test experiments and flight demonstrations. Using his artistry as a photographer and his mastery of Photoshop, he superimposes the old and new images into captivating new combinations where the past and present interweave. He also includes a written narrative in each picture about the people behind the history, helping to bring life to each photograph. The image in the book "Bishop's First Flight" references the day in May 1910 when Bishop Milton Wright, the Wright Brothers' father, flew for the first time. He and Orville traveled to a height of about 350 feet and flew for six minutes over Huffman Prairie in Dayton, Ohio. The Bishop is said to have exclaimed, "Higher, Orville, Higher!" The Huffman Prairie Flying Field National Historical Park is adjacent to Wright-Patterson Air Force Base. While at Huffman Prairie taking photographs with this historical image in mind, a C-17 Globemaster III transport took off from the Air Force Base and flew into Cleary's camera's frame. Cleary states, "The C-17 and Orville and Bishop Wright's plane lined up perfectly! It seemed to me that "Higher, Orville, Higher" was an appropriate metaphor for where aviation was soon to be." About the image titled "Kite Flying," Cleary recounts, "While at the Wright Brothers National Memorial in Kill Devil Hills, North Carolina, Park Rangers started to pass out kites to visitors. It was the perfect opportunity to photograph, especially knowing the Wright Brothers used kites in their testing. Later in PhotoShop, I playfully inserted Orville and Wilbur with their kite into the scene." This photograph of Cleary's is one of the more playful images in the book. Wright Brothers: Then and Now is a must-have book for the Wright Brother history buff. This book is available from Dan's website,
