Methods designed to be used both as a textbook and a reference book and is directed primarily at beginners.

Experienced casters, however, will probably find some useful ideas; they may even find some new techniques.

Lost-Wax Casting: Old, New, and Inexpensive Methods by F.R . . .

Lost-wax casting is the process by which a duplicate metal sculpture is cast from an original sculpture.

Intricate works can be achieved by this method. The oldest known example of this technique is a 6,000-year old amulet from Indus Valley

Lost Wax Casting Old New & Inexpensive Methods: F R Sias ...

Something old, something new. The term 'lost wax casting' may be unfamiliar to most people, but it is a wonderful jewellery-making technique that is often used to create unique engagement rings. An ancient process that dates back to around 3700 BC, lost wax casting allows the jeweller to work like a sculptor, adding intricate details and texture to the finished piece.
