This text introduces students to both primary sources and analytical essays on important topics in U.S. history. The book asks students to evaluate primary sources, test the interpretations and draw their own conclusions.

Designed to be the primary anthology or textbook for courses in Asian American history, this collection covers the subject's entire chronological span. The volume presents a carefully selected group of readings that requires students to evaluate primary sources, test the interpretations of distinguished historians, and draw their own conclusions. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Designed to encourage critical thinking about history, this book introduces students to both primary sources and analytical essays on important topics in US history. It contains primary documents, secondary sources, chapter introductions, separate introductions to documents and essays in every chapter, bibliographies, and documentation of sources.

Part of the Major Problems in American History series, this text for courses in family history or history of childhood balances its discussion of marriage and gender relations with coverage on children and childhood. Offering a thorough treatment of race, ethnicity, and class from colonial times to the present, this edition grants sustained attention to Native Americans and Latinos. Relating history to larger political events, the text narrative balances coverage of public policy toward families with coverage of the experiences of family life.
