5 full tests fully aligned with the revised Cambridge IGCSE First Language English 2020 syllabus. Ideal for use in the final year of the Cambridge IGCSE First Language English course, this book provides scaffolded support for students approaching the examination. The book contains five full examination papers organised by task type, accompanied by model and sample responses, mark schemes, examiner grades and comments, learning and exam strategy training, and examiner tips.

The tests will help familiarise students with the format and requirements of the Reading and Writing/Listening and Speaking papers. This book, written by an experienced examiner, contains four exam-format practice tests for each of Papers 3, 4 and 5 of the Cambridge IGCSE English as a Second Language (Core and Extended levels).

A series of titles written to cover the complete Cambridge IGCSE Mathematics (0580) syllabus and endorsed by Cambridge International Examinations.

The tests will help familiarise students with the format and requirements of the Reading and Writing/Listening and Speaking papers. The With Key edition includes the complete tapescripts and answers for the listening papers, and full examiner's notes for the oral tests. It also contains four exam format practice tests for each of Paper 3, 4 and 5 of the Cambridge IGCSE English as a Second Language (Core and Extended Levels).

The tests will help familiarise students with the format and requirements of the Reading and Writing/Listening and Speaking papers. This book contains exam-format practice tests for Papers 4 and 5 of the Cambridge IGCSE in English as a Second Language. It includes four Extended-level listening practice tests and twenty oral (speaking) test tasks. The tests will help build confidence and develop exam techniques by familiarising students with the format of the Listening and Oral papers, and with the kinds of topics and exercises they will encounter. The material is also suitable for non-exam students at intermediate to upper-intermediate level, particularly those preparing for academic study.

This book supports students preparing for Cambridge International Examinations IGCSE English as a Second Language (0510 / 0511 / 0991). The full-colour exam preparation and practice book contains four guided practice tests, audio and video to build confidence ready for the revised exam from 2019. It takes an active learning approach with a test-teach-test methodology. This encourages students to think about how they are developing language skills, helping them progress. Full sample answers with examiner comments and grades are included to help students understand what is required in the writing and speaking exams. This is part of the Cambridge IGCSE ESL toolbox of resources - the widest choice of resources for this qualification.

The tests will help familiarise students with the format and requirements of the Reading and Writing/Listening and Speaking papers. Book 1 With Key contains one test for Paper 1 (Core level) and three tests for Paper 2 (Extended level) in Reading and Writing of the Cambridge IGCSE English as a Second Language. All the authors are experienced examiners with in-depth knowledge of the examination. Model summaries and compositions are included in this edition.

The tests will help familiarise students with the format and requirements of the Reading and Writing/Listening and Speaking papers. Book 2 contains four further Extended-level tests. The tests will help familiarise students with the format and requirements of the Reading and Writing papers. Teachers will find them a valuable source of stimulating practice material which will engage the interest of students at this level, particularly those preparing for academic study. The material is also recommended for use with non-exam students at intermediate to upper-intermediate level. Model summaries and compositions are included in this With Key edition.

These resources have been created for the Cambridge IGCSE® and O Level Additional Mathematics syllabuses (0606/4037). This Practice Book is for students following the Cambridge IGCSE® and O Level Additional Mathematics (0606/4037) syllabuses and goes alongside the Cambridge coursebook for this syllabus. It offers additional worked examples and exercises for all topics in the coursebook to help students practice and consolidate the mathematical skills required of the course.
