"Stevens's taut writing and chilling depiction of love twisted beyond recognition make this a compelling read." -Publishers Weekly, Starred Review "Disturbing, suspenseful, and just a little nerve-racking." -Library Journal Eleven years ago, Lindsey Nash escaped into the night with her young daughter and left an abusive relationship. Her ex-husband, Andrew, was sent to jail and Lindsey started over with a new life. Now, Lindsey is older and wiser, with her own business and a teenage daughter who needs her more than ever. When Andrew is finally released from prison, Lindsey believes she has cut all ties and left the past behind her. But she gets the sense that someone is watching her, tracking her every move. Her new boyfriend is threatened. Her home is invaded, and her daughter is shadowed. Lindsey is convinced it's her ex-husband, even though he claims he's a different person. But has he really changed? Is the one who wants her dead closer to home than she thought? With Never Let You Go, Chevy Stevens delivers a chilling, twisting thriller that crackles with suspense as it explores the darkest heart of love and obsession.

From the Booker Prize-winning author of The Remains of the Day and When We Were Orphans, comes an unforgettable edge-of-your-seat mystery that is at once heartbreakingly tender and morally courageous about what it means to be human. Hailsham seems like a pleasant English boarding school, far from the influences of the city. Its students are well tended and supported, trained in art and literature, and become just the sort of people the world wants them to be. But, curiously, they are taught nothing of the outside world and are allowed little contact with it. Within the grounds of Hailsham, Kathy grows from schoolgirl to young woman, but it's only when she and her friends Ruth and Tommy leave the safe grounds of the school (as they always knew they would) that they realize the full truth of what Hailsham is. Never Let Me Go breaks through the boundaries of the literary novel. It is a gripping mystery, a beautiful love story, and also a scathing critique of human arrogance and a moral examination of how we treat the vulnerable and different in our society. In exploring the themes of memory and the impact of the past, Ishiguro takes on the idea of a possible future to create his most moving and powerful book to date.

When you aren't sure, you'll feel me near, When you are scared, I will be here. When you are high, when you are low, I'll be holding your hand and I'll never let go. From the author and illustrator of I Love You Night and Day comes a tender and heartfelt picture book. With reassuring words offering a message of unconditional love, and illustrations bursting with exuberance, warmth and humour, Never Let Go is the perfect gift for loved ones of all ages and guaranteed to be a favourite for years to come.

"The second novel in this darkly sexy contemporary series from Monica Murphy wraps up an emotionally powerful two-part tale of forbidden love"--
