Sadly, I'm coming to the end of my fabulous year of vicariously fashionable living. This blog has been lots of fun but the title on the cover of the July 4th issue of The New York Times Magazine kind of says it all.. There were some fresh and lovely patterns in the last couple of Sunday issues of the magazine.

Where: The Denver Museum of Miniatures, Dolls and Toys . The woman heading up the exhibit contacted me through my Etsy Shop and asked me if I could provide her with some information about Washi Ningyou. I sent her a short essay/biography as well as two of my own dolls (a maiko and a Japanese bride). The dolls will be on display at the museum.

Three of a Kind Betsy and Tacy are best friends. Then Tib moves into the neighborhood and the three of them start to play together. The grown-ups think they will quarrel, but they don't. Sometimes they quarrel with Betsy's and Tacy's bossy big sisters, but they never quarrel among themselves. They are not as good as they might be. They cook up awful messes in the kitchen, throw mud on each other and pretend to be beggars, and cut off each other's hair. But Betsy, Tacy,

## Access Free Paper Doll Wordpress

and Tib always manage to have a good time. Ever since their first publication in the 1940s, the Betsy-Tacy stories have been loved by each generation of young readers.

? Paper dolls might seem the height of simplicity--quaint but simple toys, nothing more. But through the centuries paper figures have reflected religious and political beliefs, notions of womanhood, motherhood and family, the dictates of fashion, approaches to education, individual self-image and self-esteem, and ideas about death. This book examines paper dolls and their symbolism--from icons made by priests in ancient China to printable Kim Kardashians on the Internet--to show how these ephemeral objects have an enduring and sometimes surprising presence in history and culture.

Among the best-loved books of all time, Louise May Alcott's Little Women has appealed to generations of readers. This charming paper doll collection recreates all four of the genial title characters featured in that literary classic. Here in full color are practical Meg, tomboyish Jo, gentle Beth, and curly-haired Amy. The four dolls can be dressed in 16 different mid-Victorian outfits--all based on scenes from the popular novel. Included are costumes for the celebrated Christmas play; practical daytime wear consisting of capes, shawls, aprons, and dresses; and a bridal dress trimmed with ruffles and lace for Meg's wedding. A delight for collectors and paper doll fans of all ages, this wonderful collection will also thrill readers who still have warm memories of Alcott's timeless tale.

Two brilliantly colorized Katy paper dolls - America's favorite comic book heroine. 133 fashions and accessories.

Part art book, part craft kit, 100% fun: this book contains thirty-two dolls, hundreds of clothing and accessory options, how-to for custom dolls and clothes and craft projects. A short time ago, the author discovered that there is a hidden demand for paper dolls when she listed a set of three in her shop (for \$16) and promptly sold hundreds. Some people played with them and some framed them. This book was created as a grander version of her successful experiment. Fans will snap up this book for the original art alone, while crafters will love the easy approach to making customised paper projects. Readers can copy pages as templates, but they can also cut pages straight from the book! With 32 pages of cardstock, readers just need scissors and glue to get started on a craft project. Once the doll(s) are created they can be used for scrap-booking, greetings cards (think customised wedding invitations made easy), frameable family portraits and more. From the instructions for using inks and paint for custom dolls and clothes to the craft projects themselves, this is a sophisticated take on a nostalgic craft.

3 paper dolls of Miss Garland -- as teenager, adult, and older woman -- and 30 gorgeous costumes highlighting memorable career.

A legendary fashion designer for Barbie shares the story of her adventures working behind-the-scenes at Mattel, and spotlights the creations that transformed the world's most famous doll into a style icon in this beautifully designed book—published in commemoration of Barbie's sixtieth anniversary—illustrated with 100 full-color photographs, including many never-before-seen images of rare and one-of-a-kind pieces from the author's private archive. Dressing Barbie is a dazzling celebration of the clothes that made America's favorite doll, and the incredible woman behind them. For thirty-five years, Carol Spencer enjoyed an unparalleled reign as a Barbie fashion designer, creating some of Barbie's most iconic looks from the early 1960s until the late 1990s. Barbie's wide-ranging wardrobe—including princess gowns and daisy-print rompers, flirty sundresses and smart pantsuits—combined fashion trends and haute couture with a liberal dose of fantasy. In Dressing Barbie, the successful and prolific designer reminisces about her time at Mattel working with legendary figures such as Ruth Handler, Barbie's creator, and Charlotte Johnson, the original Barbie designer, and talks about her best and most beloved clothing designs from each decade. But Carol's most impressive creation is her own life. As Handler famously said, "Barbie always represented the fact that a girl has choices"—a credo Carol epitomized. In Dressing Barbie, she talks candidly about how she broke free of the constraints of the late 1950s to pursue a dazzling career and an independent life for herself. Over the course of her successful and prolific career, Carol won many accolades. She was the first designer to have her signature on the doll, the first to go on a signing tour, the first to design a limited-edition Barbie Doll for collectors, and the designer of the biggest selling Barbie of all time. Now, Carol is the first member of the inner circle to take fans behind the pink curtain, revealing the fashion world of Barbie, the quintessential California girl, as never before.

Sixteen shapely dolls, each with an authentic costume from a 1950s B-movie, include Anita Ekberg, Janet Leigh, Mamie Van Doren, Zsa Zsa Gabor, Jayne Mansfield, Rhonda Fleming, Debra Paget, and others.

For ages: 7 to 12 / Grades: 3 to 6. Loved by kids, parents, teachers and librarians alike. Shortlisted for three 2019 children's-choice awards. In *So Wrong 3*, prepare to meet: Betsy the Butt-Slapping Baby; Steve McSpleen - the world's most poetic human spleen; Bullies, sumos, ninjas; a stench that just won't stop; a bored little boy who accidentally starts World War III; and much more! From author Michael Wagner and artist Wayne Bryant comes a silly, random and hilarious collection of twisted tales, crazy commercials, questionable life lessons and other forms of laugh-out-loud madness. It's a hyperactive grab-bag of wit, warmth and cheekiness, which makes *So Wrong* so right. IMPORTANT: Each book is a stand-alone title. You do NOT have to read
