Unlock the full wealth potential of your home or office using the potent formulas and wisdom of Classical Feng Shui. Written by a Feng Shui master, Classical Feng Shui for Wealth & Abundance reveals authentic techniques for success with money, business, and career. In this book, beginners and advanced students will learn: The two most popular Feng Shui systems: Eight Mansions and Flying Stars Easy-to-use Get Rich Keys and your personal Life Gua number for money luck Wealth building formulas such as Five Ghosts Carry Treasure, Dragon Gate, and Water Dragons How to identify and eliminate killing chi like Eight Roads of Destruction, Robbery Mountain Sha, and Eight Killing Forces Whether you're buying a house, creating a home, or managing a business, these ancient and powerful techniques are exactly what you need to capture prosperity and success.

Feng Shui for Architecture is an easy-to-use manual to incorporate Scientific Feng Shui into the design, renovation, and decorating of your home. The final goal is to support your well-being, as well as your family's, in all aspects of life. It is also particularly useful during a real estate pre-acquisition inspection, for it offers examples of bad Feng Shui (to avoid), good Feng Shui (to desire), and how to correct any overall problems. This will help you to evaluate the kind of investment to be made and to make the property Feng Shui proof (as well as decide if you want to either buy it or pass on it). The only book on the market written by an architect, interior designer, and Feng Shui expert who has over 20 years of expertise in the fields of architectural planning, design, and Scientific Feng Shui Mastery, Feng Shui for Architecture is largely the result of answering frequent questions that have arisen over the years by concerned Feng Shui and Interior Architecture students in classes taught by the author as well as addressing common issues brought up by professional architects, designers, and clients with whom the author has consulted with during the development of hundreds of projects (and whom are also the same people who encouraged her to write this book). Editorial Reviews "Dr. Simona Mainini has an astonishing ability to interpret and install ancient Chinese formulas in such a way that they change lives today. Her discipline and precision in a field not often distinguished by these qualities is both unique and world class." Richard Ashworth Author of The Feng Shui Diaries Editor-in-Chief of The Journal of the Feng Shui Society "Dr. Mainini is one of those few, wonderful people who have managed to weld together the strict disciplines of architectural practice with the aesthetics and philosophies of the ancient Chinese traditions of Feng Shui. Readers can be assured that what she writes is not founded just on theory alone, but sound, practical experience." Derek Walters Author of The Feng Shui Handbook & The Complete Guide to Chinese Astrology "Feng Shui for Architecture is an excellent guide for both the Feng Shui professional and layperson. You can benefit from the knowledge presented here and use it to make your environment as harmonious as possible." Larry Sang Author of The Principles of Feng Shui President & Founder of The American Feng Shui Institute "Feng Shui for Architecture has been extremely inspirational to me and many of my students at the School of Architecture and Urbanism at the University of Sao Paulo (Brazil). We are very impressed with Dr. Mainini's knowledge and experience. She brings a new pattern to design and architecture." Maria Cecilia Loschiavo dos Santos, PhD Author of Movel Moderno no Brasil Professor, Design Department, University of Sao Paulo, Brazil "The title and subtitle promises a lot-- and this book delivers even more! Dr. Mainini has done a fabulous job organizing and explaining-- in a clear, precise manner-- the principles of Feng Shui and the ancient Chinese art of placement for good energy flow as it applies to the spaces in which we live and work. Not only is this book great for the preparation of buildings, it is also extremely useful even if you are only searching for an energetically superior apartment, house, or office space to rent. If you are looking for an invaluable source of Feng Shui information to help bring harmony to your living and working space and your life, this is a book for you. I applaud Dr. Mainini for the publishing of this, her first book, and highly recommend it to those who want to learn more about this most fascinating modality of healing. +!" Raphaelle Tamura Founder, Star of Peace Publishing Founder, Seraphim at Mount Shasta

Flying Star Feng Shui adds a new "time dimension" to feng shui practice reflecting the fact that the subtle energies present in our living environment are constantly changing. The flying star combinations make it possible to respond to--or prepare for--these changing energy "situations." These methods produce impressive and rapid results and can both shorten periods of bad luck, while initiating or prolonging periods of good fortune. These concepts have previously been available only from a few untranslated or highly technical sources. Author Stephen Skinner has a international reputation as a populizer of feng shui concepts for Western readers. In Flying Star Feng Shui he introduces one of the most effective and popular aspects of feng shui practice today.

Feng Shui Demystified 0, A Comprehensive Course on Flying Star Feng Shui and Famous Water Formulae, contains all there is to know about the Flying Star system of authentic Chinese Feng Shui. Unlike many other publications this book deals with the authentic and most advanced system of traditional Chinese Feng Shui, which allows you to analyze the energies of your home or workplace and explains how to harmonize them to make sure nature's benevolent forces, which support expansion and growth, are on your side. Critically and expertly presented the author analyzed the methods of different schools and explained all formulae in

detail for the reader to understand how they work. This includes the use of color in Feng Shui, the "Host / Guest" relationship of energies, the "Seven Star Robbery," the "Fan Fu Yin," the "Castle Gates" the famous "Five Ghosts carry Money" and the eight "Dragon Gate" water formulae and much more. The water formula of "Perfect Heavenly Harmony" and the "Heavenly Doctor" water formula are published here for the very first time. A special chapter on the change of periods explains how the different traditions, having different concepts on the time factor, deal with it.

Feng Shui is an ancient Chinese practice which finds auspicious sites for buildings and also pinpoints locations within buildings which are most suitable for particular activities. This workbook details the applications of Feng Shui in an easy-to-follow practical way.

Proper balance in life and in business can leave people inspired, engaged, and ready to take action.
