As the leading choice in college accounting, Heintz & Parry's COLLEGE ACCOUNTING, 21E, combines a proven, step-by-step approach and excellent examples with a tightly integrated online homework tool that makes accounting understandable to every student, regardless of your accounting background or business experience. The Heintz & Parry program, well-known for its clarity, accuracy, and technology, focuses on the practical skills students need to transition from the classroom to the workplace. With even more practice opportunities and independent study resources than ever before, the 21E delivers the tools you need to succeed. This edition introduces accounting concepts using a proven step-by-step approach and inviting narrative style that focuses on the practical skills you'll need as you transition to tomorrow's workplace. The book begins with a basic foundation and simple service company examples before advancing to accounting within the more challenging merchandising and manufacturing environments. Engaging examples and functional learning features within the book's comprehensive approach reinforce the relevance of the skills you're learning and provide a clear, accurate presentation that's understandable even if you have no previous accounting experience or business background. Self-study aids and numerous practice opportunities allow you to check your understanding as you progress. To maximize your study time and help you efficiently completely your homework, CengageNOW provides interactive support, enhanced feedback, and a personalized learning path that assists you in the areas most challenging to you individually. Achieve your best in the classroom today and plan for success within the workplace tomorrow with the skills found in Heintz & Parry's COLLEGE ACCOUNTING, 21E. Available with InfoTrac Student Collections <http://goengage.com/infotrac>. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

An innovative, new multi-level course for the university and in-company sector. Business Advantage is the course for tomorrow's business leaders. Based on a unique syllabus that combines current business theory, business in practice and business skills - all presented using authentic, expert input - the course contains specific business-related outcomes that make the material highly relevant and engaging. The Business Advantage Intermediate level books include input from leading institutions and organisations, such as: the Cambridge Judge Business School, IKEA, Emirates NBD, Isuzu and Unilever. The Teacher's Book comes with photocopiable activities, progress tests, and worksheets for the DVD which accompanies the Student's Book.
