Characteristics to note in the rubric: Language is descriptive, not evaluative. Labels for degrees of success are descriptive (“Expert” “Proficient”, etc.); by avoiding the use of letters representing grades or numbers representing points, there is no implied contract that qualities of the paper will “add up” to a specified score or grade or that all dimensions are of equal grading value.

Elementary School comes a proven approach to student assessment. Leaders of Their Own Learning offers a new way of thinking about assessment based on the celebrated work of Expeditionary Learning Schools across the country. Student-Engaged Assessment is not a single practice but an approach to teaching and learning that equips and compels students to understand goals for their learning and growth, track their progress toward those goals, and take responsibility for reaching them. This requires a set of interrelated strategies and structures and a
