Benji leans in close to whisper in my ear, and his breath on my neck hints at the waves of pleasure he could send right through me right there and then. "Do you want to come home with me?" he asks, and I nod, a little stunned. It seems that my mind has been made up for me. But then Liam's fingers start to work their way up my thigh. He leans in close, too. "And me." he pants, clearly as turned on as I feel. I flick my eyes between them both, trying to work out what they mean. Both of them, together? Oh my God. The prospect of being with two men at once rattles my nerves. I've never done that before. But my excitement at the prospect far outweighs my trepidation.... Dodo, who is well-known from E. F. Benson ' s bestseller carrying the same name, is now settled down. But Dodo has new problems in her life. Dodo ' s daughter Nadine is only eighteen years old but despite that she is already a self-confident woman -- some would say that she is even quite full of herself! But is smoking cigarettes and chatting with friends enough to be the main content of one ' s life? ' Dodo ' s daughter ' is an intriguing novel about upper-class society youth in the 1910's. Edward Frederic Benson (1867-1940) was a British archeologist and author, who wrote under the pen name E. F. Benson. Originally from Berkshire, he studied at Cambridge University and published his first novel "Dodo" in 1893. It was an instant success. He was a prolific novelist, and wrote in a blend of satire, science-fiction, supernatural and romantic melodramas, and has been admired by later authors such as H. P. Lovecraft. He was also a reputed memoirist, and wrote amongst others a biography of Charlotte Bront e . Benson was a very discreet character but it is widely assumed that he was homosexual, of which traces can be found in the circles he kept as well as in his fiction. He never married and passed away in 1940 at age 72.

High Gaine was a Colonial New York printer who in the second year of the American Revolution first allied his press to the American cause, then deserted to publish his newspaper for the British. This first book-length biography of Gaine contributes substantially to our knowledge of journalism in the Colonial period and provides fascinating insights into life in Revolutionary times. Gaine was more than a turncoat American, Lorenz shows. From his reading of the files of Gaine ' s newspaper, from unpublished material, and from a wide variety of printed sources, Lorenz has pieced together this study of economic and political conservatism, religious belief, and social class feelings which made Gaine a prototypical Loyalist to the British cause, though a citizen, or at least a resident, of the United States, to the end of his days, in 1807.

Florence Nesbitt was not only a dietitian, but also a leading social worker involved in the mothers' pension department of the Chicago Juvenile Court, a member of the staff of the United Charities of Chicago, and a director of one of the food conservation sections organized by the Council of National Defense. In this 1918 work, Nesbitt combines her experiences as social worker and dietitian to fill the vital need of teaching financial and household management skills to poorer, less well-trained homemakers who had little access to books and classes teaching these skills. Her work provided vital information on the purchase, preparation, and serving of wholesome food, particularly for the urban poor. Through examples of individual householders who struggled to feed their families on limited incomes, Nesbitt outlined practical, definitive steps by which those with small incomes could get the most for their money. The skills she delineated are relevant to today's homemakers who continue to attempt to balance their limited incomes against the high costs of food, rent, and services.

Lorna Crozier ' s radical imagination, and the finely tuned emotional intelligence that is revealed in the clarity of her poetry, have made her one of Canada ' s most popular poets. Before the First Word: The Poetry of Lorna Crozier is a collection of thirty-five of her best poems, selected and introduced by Catherine Hunter, and includes an afterword by Crozier herself. Representing her work from 1985 to 2002, the collection reveals the wide range of Lorna Crozier ' s voice in its most lyrical, contemplative, ironic, and witty moments. Hunter ' s introduction discusses the poet ' s major themes, with particular attention to her feminist approach to biblical myth and her fascination with absence and silence as sites for imaginative revision. Crozier ' s afterword, " See How Many Ends This Stick Has: A Reflection on Poetry," is a lyrical meditation that provides an inspirational glimpse into the philosophy of a writer who prizes the intensity of awareness that poetry demands, and is tantalized by what predates speaking and all that can't be named. An engaging volume that will appeal to undergraduate students as well as general readers of poetry. Lorna Crozier ' s work has won many awards, including the Governor Generals Award in 1992 (for Inventing the Hawk), the first prize for poetry in the CBC Literary Competition, the Canadian Authors Association Award for Poetry in 1992, a National Magazine Award in 1995, and two Pat Lowther Memorial Awards (1993 and 1996) for the best book of poetry by a Canadian woman. She has published fourteen books of poetry, most recently, Whetstone. Born in Swift Current, Saskatchewan, she now lives in British Columbia, where she is a Distinguished Professor at the University of Victoria.

Herman Melville (1819-1891) was an American novelist, short story writer, essayist, and poet. His "Moby-Dick" -- considered a failure during his lifetime, responsible for Melville's fall from favor with the reading public -- was rediscovered in the 20th century as a masterpiece of literature.
