Speaker Melissa Gonzalez - Books - The Pop Up Paradigm

However, pop-up stores can be used for more than just selling products, they can also be used to engage with customers, educate them, and most importantly learn what they want. Create An Experience: One of the main concepts that come with pop-ups, on the customer-facing side, is the creation of an experience. Beyond a fun party with possibility of special guests, pop-ups allow customers to learn about a brand, and feel like they are “in the know.”
