." . . in the view of Infinite Purity, we are sinners all alike . . . the holiest among us has but attained so far above his fellows as to discern more clearly the Mercy which looks down, and repudiate the phantom of human merit which would look aspiringly upward." The Scarlet Letter is set in the Massachusetts Bay Colony sometime between 1640 and 1650. Hester Prynne has traveled alone to America to prepare a home for herself and her husband. In her husband's long absence Hester commits adultery and gives birth to a child. In accordance with the town's strict biblical law, Hester is punished, though leniently for that time in the colony. She is sentenced to stand for several hours on the town's scaffold exposed to public shame and to wear a scarlet "A" for the rest of her life. Hester's partner in sin, a prominent member of the community, remains silent about his own guilt, and Hester refuses to reveal his identity. Meanwhile, Hester's long-absent husband, Roger Chillingworth, returns on the very day Hester must endure her public humiliation. He decides to remain silent concerning his own identity but determines to seek revenge on Hester's lover. He discovers the guilt-ridden man's identity, and by posing as a physician draws close to his victim and undermines the man's health and will to live. The Scarlet Letter examines the web of interaction between these characters and the themes of guilt, perception, and redemption. Interactive CD-rom.

The Scarlet Letter: A Romance is a work of historical fiction by American author Nathaniel Hawthorne, published in 1850. Set in Puritan Massachusetts Bay Colony during the years 1642 to 1649, the novel tells the story of Hester Prynne who conceives a daughter through an affair and then struggles to create a new life of repentance and dignity. Containing a number of religious and historic allusions, the book explores themes of legalism, sin, and guilt. The Scarlet Letter was one of the first mass-produced books in America. It was popular when first published and is considered a classic work today. It inspired numerous film, television, and stage adaptations. Critics have described it as a masterwork and novelist D. H. Lawrence called it a "perfect work of the American imagination".

"'Thou and thine, Hester Prynne, belong to me.' With these chilling words a husband claims his wife after a two-year absence. But the child she clutches is not his, and Hester must wear a scarlet 'A' upon her breast, the sin of adultery visible to all. Under an assumed name her husband begins his search for her lover, determined to expose what Hester is equally determined to protect. Defiant and proud, Hester witnesses the degradation of two very different men, as moral codes and legal imperatives painfully collide." "Set in the Puritan community of seventeenth-century Boston, The Scarlet Letter also sheds light on the nineteenth century in which it was written, as Hawthorne explores his ambivalent relations with his Puritan forebears. The text of this edition is taken from the Centenary Edition of Hawthorne's works, the most authoritative critical edition."--BOOK JACKET.
