The conflict climaxes when the WLF attack and burn down the Seraphites' village during The Last of Us: Part 2, but the Scars were able to defend themselves despite losing much of their territory. At the end of the game, it remains unclear how many are left, but they were thousands-strong before the WLF invasion.

In Mending Scars, we pick up where we leave off in The Scars of Us. Kaiya, Ryker, and Kamden are dealing with the aftermath of the death of Kaiya and Kamden's brother Kaleb. Kaiya and Ryker are trying to pick up the pieces and start a new journey of their relationship, I must admit until a few days ago I had not even read The Scars of Us, which is the 1st book to Mending Scars.

Mending Scars (The Scars of Us, #2) by Nikki Sparxx

SCARS is the culmination of over 35,000 hours of intense research in physics, psychology, and applied geometry to human function under stress. After being acknowledged as subject matter experts for hand to weapon training, the Department of Defense licenced 600 hours of this research to be used by the US Special Forces.
