Nature from Experience and
Reason. Robert J. Spitzer.
Since the early twentieth
century, scientific
materialism has so
undermined our belief in the
human capacity for
transcendence that many
people find it difficult to
believe in God and the human
soul. The materialist
perspective has not only
cast its spell on the
natural sciences,
psychology, philosophy, and
literature, it has also
enthralled popular culture,

The Soul's Upward Yearning offsets today's continuation of original sin. Youths especially have been vulnerable to replacing ancient secrets with contemporary selfishness and superficial quick-fixes for everything. The loss of the transcendentals parallels the loss of the Ten Commandments.
