Connor Lassiter's fight to bring down Proactive Citizenry and find a suitable alternative to unwinding concluded in UnDivided. Now Connor, Risa, and Lev are free to live in a peaceful future--or are they? After the destruction of the Graveyard, Connor and Lev are on the run, seeking a woman who may be the key to bringing down unwinding forever while Cam, the rewind boy, tries to prove his love for Risa by bringing Proactive Citizenry to its knees.

"Thanks to Connor, Lev, and Risa, and their high-profile revolt at Happy Jack Harvest Camp, people can no longer turn a blind eye to unwinding. Ridding society of troublesome teens and, in the same stroke, providing much-needed tissues for transplant might be convenient, but its morality has finally been brought into question. However, unwinding has become big business, and there are powerful political and corporate interests that want to see it not only continue, but expand, allowing the unwinding of prisoners and the impoverished. Cam is a teen who does not exist. He is made entirely out of the parts of other unwinds. Cam, a 21st century Frankenstein, struggles with a search for identity and meaning, as well as the concept of his own soul, if indeed a rewind being can have one. When a sadistic bounty hunter who takes "trophies" from the unwinds he captures starts to pursue Connor, Risa and Lev, Cam finds his fate inextricably bound with theirs"--

Proactive Citizenry, the company which created Cam from the parts of unwound teens, has a plan: to mass produce Rewound teens like Cam for military purposes. But below the surface is of that horror lies another shocking level of intrigue: Proactive Citizenry has been suppressing technology that could make unwinding completely unnecessary. As Conner, Risa and Lev uncover these shocking secrets, enraged teens begin to march on Washington to demand justice and a better future. But more trouble is brewing. Starkey's group of storked teens are growing more powerful and militant with each new recruit. And if they have their way, they'll burn the harvest camps to the ground, and put every adult in them before a firing squad-which could destroy any chance America has for a peaceful future. Praise for UNWIND: "This is the kind of rare book that makes the hairs on your neck rise up. It is written with a sense of drama that should get it instantly snapped up for film." The Times "Gripping, brilliantly imagined futuristic thriller" The issues raised could not be more provocative - the sanctity of life, the meaning of being human - while the delivery could hardly be more engrossing or better aimed to teens." Publishers Weekly, starred review "a powerful, shocking, and intelligent novel... It's wonderful, wonderful stuff." thebookbag.co.uk "This book challenges ones ideas about life, about morality, about religion, about fanatics. It is not a comfortable read but it is thought-provoking." Carousel

The New York Times bestselling author of Challenger Deep, Neal Shusterman, delivers a suspenseful, eloquent, and thrilling novel that you won't be able to stop thinking about after you've put it down. Tennyson is not surprised, really, when his family begins to fall apart, or when his twin sister, Brontë, starts dating the misunderstood bully, Brewster (or The Bruiser, as the entire high school calls him). Tennyson is determined to get to the bottom of The Bruiser's reputation, even if it means gearing up for a fight. Brontë, on the other hand, thinks there's something special underneath that tough exterior. And she's right—but neither she nor Tennyson is prepared for the truth of what lies below the surface. Told through Tennyson, Brontë, and Bruiser's points of view, this dark, twisting novel explores friendship, family, and the sacrifices we make for the people we love. However, a loophole allows parents to retroactively get rid of a teenager through a process called "unwinding." Three teens defy the system and run away from their unwinding: Connor, a rebel whose parents have ordered his unwinding; Risa, a ward of the state who is to be unwound due to cost-cutting; and Lev, his parents' tenth child whose unwinding has been planned since birth as a religious tithing. As their paths intersect and lives hang in the balance, Connor, Risa, and Lev must work together to survive—and they may change the fate of America in the process. This complete boxed set includes paperback editions of Unwind, UnWholly, UnSouled, and UnDivided.
