Learn how to sit, stay, and roll over with this fully illustrated, “delightful” guide to yoga starring man’s best friend (Shutterbug magazine). Inspired by a friend’s mastiff who would imitate his master’s morning yoga routine, photographer Dan Borris created Yoga Dogs, a full-color collection of forty-five different dogs and puppies doing human yoga poses. Don’t worry: No animals were harmed during the making of these images; their extreme flexibility is the result of clever digital trickery. The curious, humorous, and distinctly original pictures are paired with useful information about the poses, as well as some funny canine meditations. “A fresh and highly entertaining visual treat,” Yoga Dogs is perfect for any yogi of the two or four-legged variety (Shutterbug magazine).

A fun, funny, yet practical gift book containing 100 removable stickers that congratulate supposed grown-ups on a job well done... or at least a job done. Despite

official reports, members of Generation X and younger feel completely and totally ill-prepared to deal with anything. They still, as purportedly self-sufficient adults, look toward Baby Boomers and the Greatest Generation and think, How did they do that? So the easiest and best way to find comfort is to look not ahead at uncertainty (or, heaven forbid, around at the chaos currently surrounding them), but to the past to their simpler childhoods. The generation who championed the coloring book-as-relaxation trend grew up in a world in which they spent hours obsessing over, trading, and decorating with stickers. And it is with brightly colored stickers that they will finally find peace of mind. For a little while, at least. Filled with 100 full-color removable stickers that can be used to decorate journals, notebooks, or your lapel to proudly and publicly proclaim life's little victories, *I Adulted!* is the ideal nostalgic and practical book for anyone who feels a sense of accomplishment by making it through a day without calling their mother for help.

Paint by Sticker, the bestselling all-ages activity book series, is now purrfect for cat lovers! Create gorgeous illustrations of felines in low-poly (geometric polygon shapes) style, one sticker at a time. An engrossing activity for crafters and artists, doodlers and colorers, *Paint by Sticker: Cats* brings 12 irresistible cats to life, piece by

piece. There's a playful ginger tabby hanging from her paws, an elegant, blue-eyed Siamese angling for a head scratch, and more! As in paint-by-number, each image is divided into dozens of spaces, each with a number that corresponds to a particular sticker. Find the sticker, peel it, and place it in the matching space. Add the next, and the next, and the next—and relish the growing satisfaction of watching a “painting” emerge from a black-and-white illustration to a dazzling image with color, body, and spirit.

We are so sorry. The kind of paper maybe not well suited to the photos. This book maybe not good for a small part of reader.
