N.B. This is the old Edition. There is a new Revised Edition available.

The perfect companion to the popular Level 3 Criminology Student Book from Illuminate, this Study and Revision Guide summarises key information in a manageable and highly-visual way. // Written by experienced teachers and examiners it includes a wealth of practice exam questions and model answers to help students refine their exam technique. // Offers invaluable guidance to ensure students are well prepared for the controlled assessments with a summary covering key points for the Assessment Criteria. // Criminological theories are broken down and advice is provided to help students apply and evaluate these theories. // Engaging activities and other stimulating features such as 'Take it further', 'Test Yourself' and 'Explore Online' consolidate learning and encourage students to put their knowledge into action.

Endorsed by WJEC/Eduqas, this revised edition of the best-selling Student Book offers high quality support you can trust. All four units are covered in a single book making it incredible value for money. // Working closely with WJEC, the Student Book has been revised and updated to reflect the latest amendments to the specification and support students through their WJEC Level 3 Applied Certificate or Diploma in Criminology course. // Written by leading Level 3 Criminology author and highly experienced examiner, Carole Henderson, this accessible and engaging resource provides everything your students need for success. // What's new in the Revised Edition? // Assessment Criterion is completely up-to-date and details exactly the content students need to cover. // Coverage of the latest campaigns and content, such as Helen's Law; philosophies of agencies in social control; law reports; why laws are different according to place, time and culture. // Includes many new Activities to enhance learning plus Take it further tasks to develop and extend students' knowledge. // Brand new Handy hints to advise students on how best to approach the assessment. // Explains current rules on controlled assessments and contains up-to-date information on the structure of the external assessment (exam units).

whose bones have not been located . . . Howard Sounes broke the first major story about the Wests as a journalist, and covered the murder trial of Rosemary West, before writing Fred & Rose, the definitive account of this infamous case. Beginning with Fred's and Rose's bizarre childhoods, Sounes charts their lives and crimes in forensic detail, creating a fascinating and truly frightening account of a marriage soaked in blood.

The second edition of Women and Crime is a carefully revised version of what has become the standard text on this subject. It provides a comprehensive review of findings about female criminality, women and criminal justice, and the treatment of female offenders. It also offers a clear analysis of theoretical perspectives, of images of deviant women and women's experiences of social control. A new section reviews developments during the past decade and outlines the shifts in social research and crime concerns. The bibliography has been thoroughly revised and updated.

Part of the WJEC endorsement process. Develop your scientific thinking and practical skills with resources that stretch and challenge all levels within the new curriculum produced by a trusted author team and the established WJEC GCSE Science publisher. - Prepare students to approach exams confidently with differentiated Test Yourself questions, Discussion points, exam-style questions and useful chapter summaries. - Provide support for all required practicals along with extra tasks for broader learning. - Support the mathematical and Working scientifically requirements of the new specification with opportunities to develop these skills throughout. - Suitable to support the WJEC GCSE Science (Double Award) qualification
