This is not a get rich quick book. But if you won't stop, day-by-day, month-by-month, you'll budget better and become richer as a consequence. You can turn a blind eye on your financial problems but they won't go away. Start getting financial awareness in your life today so you can live a financial independence life in the future. Being better with money changes the rest of your life. Follow the tips presented here and you get your awaited freedom. Money management is an essential skill for everybody who earns, shops or consumes. Financial education is not part of our educational system. It is normal that we don't know how to budget but it is not normal to stay ignorant about a field of life that guarantees our material survival. Leave money struggles for yesterday. Start budgeting today and make your financial as good as you want it to be.

WASHINGTON POST “COLOR OF MONEY” BOOK CLUB PICK Stop Living Paycheck to Paycheck and Get Your Financial Life Together (#GYFLT)! If you're a cash-strapped 20- or 30-something, it's easy to get freaked out by finances. But you're not doomed to spend your life drowning in debt or mystified by money. It's time to stop scraping by and take control of your money and your life with this savvy and smart guide. Broke Millennial shows step-by-step how to go from flat-broke to financial badass. Unlike most personal finance books out there, it doesn't just cover boring stuff like credit card debt, investing, and dealing with the dreaded "B" word (budgeting). Financial expert Erin Lowry goes beyond the basics to tackle tricky money matters and situations most of us face #IRL, including: - Understanding your relationship with moolah: do you treat it like a Tinder date or marriage material? - Managing student loans without having a full-on panic attack - What to do when you're out with your crew and can't afford to split the bill evenly - How to get "financially naked" with your partner and find out his or her "number" (debt number, of course) . . . and much more. Packed with refreshingly simple advice and hilarious true stories, Broke Millennial is the essential roadmap every financially clueless millennial needs to become a money master. So what are you waiting for? Let's #GYFLT!

Experience a life free of financial stress and transform your relationship to money with this indispensable guide—the first book based on You Need A Budget's proven method that has helped hundreds of thousands of people break the paycheck to paycheck cycle, get out of debt, and live the life they want to live. No one should tell you what to do with your money—only you know what's most important to you. Always guiding you back to your true priorities, Jesse Mecham will fundamentally change the way you think about your money and what it can do for you. His proven method—four, simple rules—will transform money management from a paralyzing burden to a powerful tool, putting you in total control of your life: Give Every Dollar A Job. Be intentional about what you want your money to do before you spend it. Embrace Your True Expenses. Break up larger, less frequent expenses into smaller, more manageable amounts. By saving monthly for insurance premiums, holidays, or car repairs, when the time comes, your money is ready and waiting to do its job. Roll With The Punches. When life changes, so must your budget. Make adjustments and move along. Flexible budgets succeed because they're guilt-free, realistic, and sustainable. Age Your Money. As you repeat the first three rules, you'll increase the time between the moment you earn a dollar and the moment you need to spend it. When your money is at least a month old, you'll have finally broken the paycheck to paycheck cycle for good. This tried-and-true system has changed the lives of hundreds of thousands of people by teaching them how to take charge, adjust money habits, eliminate stress, and build the life they want to live. Don't waste another month counting down the minutes until payday....

A fully revised edition of one of the most influential books ever written on personal finance with more than a million copies sold “The best book on money. Period.” –Grant Sabatier, founder of “Millennial Money,” on CNBC Make It “This is a wonderful book. It can really change your life.” -Oprah For more than twenty-five years, Your Money or Your Life has been considered the go-to book for taking back your life by changing your relationship with money. Hundreds of thousands of people have followed this nine-step program, learning to live more deliberately and meaningfully with Vicki Robin's guidance. This fully revised and updated edition with a foreword by “the Frugal Guru” (New Yorker) Mr. Money Mustache is the ultimate makeover of this bestselling classic, ensuring that its time-tested wisdom applies to people of all ages and covers modern topics like investing in index funds, managing revenue streams like side hustles and freelancing, tracking your finances online, and having difficult conversations about money. Whether you're just beginning your financial life or heading towards retirement, this book will show you how to: • Get out of debt and develop savings • Save money through mindfulness and good habits, rather than strict budgeting • Declutter your life and live well for less • Invest your savings and begin creating wealth • Save the planet while saving money • ...and so much more! “The seminal guide to the new morality of personal money management.” -Los Angeles Times

Buy now to get the insights from Jesse Mecham's You Need a Budget. Sample Insights: 1) Budgeting is not about a spreadsheet detailing what you need to spend in a month. This system lacks flexibility and doesn't allow you to prioritize your spending, especially if there isn't enough money for everything. 2) Your budget is all about thinking ahead. Just make sure you don't forecast future money. That cash will be great when it hits your account, but you're only concerned with making sure the money you have today gets you closer to your goals.

In the spirit of Wendy Mogel's *The Blessing of a Skinned Knee* and Po Bronson and Ashley Merryman's *Nurture Shock*, New York Times “Your Money” columnist Ron Lieber delivers a taboo-shattering manifesto that explains how talking openly to children about money can help parents raise modest, patient, grounded young adults who are financially wise beyond their years. For Ron Lieber, a personal finance columnist and father, good parenting means talking about money with our kids. Children are hyper-aware of money, and they have scores of questions about its nuances. But when parents shy away from the topic, they lose a tremendous opportunity—not just to model the basic financial behaviors that are increasingly important for young adults but also to imprint lessons about what the family truly values. Written in a warm, accessible voice, grounded in real-world experience and stories from families with a range of incomes, *The Opposite of Spoiled* is both a practical guidebook and a values-based philosophy. The foundation of the book is a detailed blueprint for the best ways to handle the basics: the tooth fairy, allowance, chores, charity, saving, birthdays, holidays, cell phones, checking accounts, clothing, cars, part-time jobs, and college tuition. It identifies a set of traits and virtues that embody the opposite of spoiled, and shares how to embrace the topic of money to help parents raise kids who are more generous and less materialistic. But *The Opposite of Spoiled* is also a promise to our kids that we will make them better with money than we are. It is for all of the parents who know that honest conversations about money with their curious children can help them become more patient and prudent, but who don't know how and when to start.

A guide to achieving financial stability and prosperity encourages new ways to think about and manage money, discussing such topics as balancing a budget, planning for entertainment, and getting out of debt.

In *The Meaningful Money Handbook*, personal finance expert and podcaster extraordinaire Pete Matthew guides you through everything you need to KNOW and everything you need to DO to build a secure financial future for yourself and your family. This is achievable for everyone by following three simple steps: 1. Spend less than you earn and clear debt. 2. Insure against disaster. 3. Build up your savings and invest wisely. You
